2023 Retiree Benefits Enrollment Guide

**RRD BENEFITS,
EVERY STEP OF THE WAY.**

Choose your 2023 benefits
November 7 – 11, 2022

RRD BENEFITS EVERY STEP OF THE WAY

Wherever you are in life, your RRD benefits are there when you need them. Each year during Annual Enrollment, you have the opportunity to verify your coverage or change your retiree medical and prescription drug benefits.

Please review this guide and make sure you understand how your benefits work. If you decide to change your coverage for 2023, you can use the online enrollment system or you can call the Benefits Center.

Two Ways to Update Your Coverage

You can make changes to your benefits

Monday, November 7 – Friday, November 11, 2022:

ONLINE
rrd.bswift.com

BY PHONE
1-877-RRD-4BEN (1-877-773-4236)
Monday – Friday, 7 a.m. – 7 p.m. CT

A close-up photograph of a man with a grey beard and mustache, wearing a yellow sweater, kissing a chocolate Labrador puppy on the nose. The man's eyes are closed, and the puppy is looking towards the camera. A blue triangle graphic is positioned above the puppy's head, pointing towards the man's face. The background is a soft, out-of-focus indoor setting with a green wall and a black lamp.

CHOOSE YOUR 2023 RRD BENEFITS

NOVEMBER 7 – 11, 2022

ELIGIBILITY & ENROLLMENT RULES

All Retirees

If you are enrolled in coverage under the Retiree Welfare Benefits Plan and later decide to opt out, that election is permanent and you cannot re-enroll yourself or your eligible spouse in the future for any reason.

Subsidy-Eligible Retirees

If you are a subsidy-eligible former employee, you must enroll in the Retiree Welfare Benefits Plan upon the earlier of attaining Medicare eligibility or age 65. Otherwise, coverage under the Program will no longer be available to you (or your spouse, if he or she is eligible). This means your last chance to opt in to the Program is when you become Medicare-eligible or turn age 65.

NOTE: These rules are based on your (the retiree's) Medicare eligibility. For example, if you are under age 65 and not yet eligible for Medicare, but if your spouse is 65 or older, you have until your Medicare attainment age to enroll both yourself and your spouse in coverage. References to spouses throughout this guide include covered domestic partners.

UNSURE ABOUT ELIGIBILITY & ENROLLMENT RULES?

Call the RRD Benefits Center at **1-877-RRD-4BEN (1-877-773-4236)**, Monday – Friday, 7 a.m. – 7 p.m. CT for assistance.

YOUR ENROLLMENT CHECKLIST

Annual Enrollment for your 2023 benefits starts Monday, November 7, and ends Friday, November 11, 2022. Here's what you need to do:

UNDERSTAND YOUR BENEFITS

✔ Review your medical and prescription drug coverage in this guide.

- Go to rrd.bswift.com to review your coverage and rates for 2023.
- Contact the Benefits Center for general benefits information and questions at **1-877-RRD-4BEN (1-877-773-4236)**, Monday – Friday, 7 a.m. – 7 p.m. CT.
- Go to rrd.bswift.com to access your benefits information, review your options and use these helpful tools:
 - Provider Directory
 - Summary Plan Descriptions (SPDs) and Summaries of Material Modifications (SMMs). (If you haven't already elected to review plan information online, consider making the change to electronic distribution of these materials when prompted on the site.)

ENROLL BY NOVEMBER 11, 2022

✔ If you want to make changes to your benefits, take action!

- Register and log in to rrd.bswift.com. Follow the onscreen instructions to change your current elections or covered family members.
- Once you've reviewed your changes, click *Review and Confirm*. Next, scroll to the bottom of the page to agree to the terms and conditions, and then click *Complete Enrollment*. If you see the green check mark, your elections are saved and your enrollment is complete.
- If you have difficulties verifying your coverage online or you would like to verify your coverage by phone, call the Benefits Center at **1-877-RRD-4BEN (1-877-773-4236)** Monday – Friday, 7 a.m. – 7 p.m. CT. Phone enrollment ends November 11 at 7 p.m. CT. You might experience long wait times if you try to verify your coverage by phone during the last two days of enrollment.

WANT THE SAME COVERAGE?

✘ If you want the same coverage for 2023, you don't need to take action.

CHECK YOUR CONFIRMATION

✔ Print a confirmation of your enrollment for your records.

You will receive a confirmation of your enrollment by mail in late November. If anything is incorrect, please call the Benefits Center immediately or you may be locked into that election for the entire Plan year.

FOR MEDICARE-ELIGIBLE RETIREES

RRD Medical Coverage

If you are eligible for Medicare and collecting Social Security benefits, you are automatically covered by Medicare Part A (hospital care). You must also be enrolled in Medicare Part B (physician services) to participate in the company-sponsored group Medicare Advantage plan (also known as Medicare Part C) under the Retiree Welfare Benefits Plan.

Here are some important things to know about your RRD Retiree Medical Benefit Program option:

- Your medical benefits are provided through UnitedHealthcare (UHC).
- Because this is a Medicare Advantage plan:
 - When you use the plan, your Medicare benefits are “assigned” to UHC, which is then responsible for paying your claims.
 - Your medical coverage is not secondary to Medicare, so there is no coordination of benefits to worry about.
- You can visit any provider you choose, in or out of the UHC network, and pay the same share of the cost as long as the provider accepts Medicare.
- If you are a new Medicare enrollee in the RRD Retiree Medical Benefit Program, make sure you have the following on file with the Benefits Center:
 - A valid Medicare Beneficiary Identifier (MBI).
 - An actual street address (not a P.O. box). Please call the Benefits Center or go to rrd.bswift.com if you are unsure of your address on file.
- If you are already enrolled, you should have received a mailing from UHC to your home that included an Annual Notice of Change for 2023.

HAVE QUESTIONS?

MEDICARE ADVANTAGE

Visit UHCRetiree.com or call UHC at 1-866-868-0286, 8 a.m. – 8 p.m. local time, 7 days a week.

PRESCRIPTION DRUG COVERAGE

Contact SilverScript at 1-855-313-9445, TTY 711 or caremark.com 24/7.

RRD Prescription Drug Coverage

RRD offers prescription drug benefits through SilverScript® Insurance Company as part of the company-sponsored group Medicare Part D program under the Retiree Welfare Benefits Plan.

- If you are currently enrolled, you should have received a mailing from SilverScript to your home that included an Annual Notice of Change for 2023 and other information.
- When you age-in or become Medicare-eligible for the first time, you will also receive a Summary of Medicare Part D Benefits and an Opt Out Notice. **Do not opt out of SilverScript coverage if you wish to keep your retiree medical coverage through RRD. If you opt out of prescription drug coverage, you will also be removed from medical coverage.**

IMPORTANT! SAVE ON PRESCRIPTION MEDICATIONS WITH RX SAVINGS SOLUTIONS

When you enroll in RRD medical coverage, you and your enrolled dependents may be able to save money by using Rx Savings Solutions, a confidential online tool that finds lower-cost options for your prescribed medications. It's free to you and your enrolled dependents. Learn more at myrxss.com or call **1-800-268-4476**.

Using Your Prescription Drug Benefits

Once you are enrolled in the RRD Retiree Drug Benefit Program:

- You can purchase up to a 90-day supply of medication at retail, as long as you fill your prescription at a participating pharmacy.
- You can refill a retail prescription when 85% of your existing prescription has been used.
- You can refill a mail-order prescription when 75% of your existing prescription has been used.
- You must provide consent for prescriptions you do not initiate yourself (for example, auto-refills, “e-prescribing” by your doctor, and your doctor’s office calling in a prescription). Make sure your phone number is on file with SilverScript so they can contact you to obtain consent. If they do not receive your consent, the prescription will be held, and you will need to contact SilverScript to release the prescription(s). Your drugs will not ship automatically.
- If you purchase diabetic testing supplies, please note:
 - You may purchase a 90-day supply at retail. Using retail does not change your coverage or the process to receive these supplies under the RR Donnelley Retiree Drug Benefit Program.
 - SilverScript is not an authorized supplier for mail-order diabetic testing supplies. Due to Medicare requirements, you must use an authorized supplier for mail order or ask your doctor to submit your prescription for retail.

NOTE ABOUT RRD MEDICAL COVERAGE

When you see “plan” in materials you receive from UHC, it means the UnitedHealthcare Group Medicare Advantage (PPO) plan. References to “plan sponsor” in materials you receive from UHC mean the R.R. Donnelley & Sons Company Retiree Welfare Benefits Plan, the plan administrator or the company, depending on the context.

ID CARDS

You will receive new medical and prescription drug cards if you change from the pre-65 program to the post-65 (i.e., Medicare-eligible) program, or if you are already enrolled in a post-65 Medicare Advantage plan.

Individual Medicare vs. RRD Coverage

Because you are eligible for Medicare, you likely receive many offers from insurance companies encouraging you to enroll in their individual Medicare Part C and/or Part D plans. While you may wish to review their plan information, here are some important things to keep in mind:

RRD retiree medical and prescription drug coverage are tied together.

If you opt out of either the UHC Medicare Advantage plan or the SilverScript Prescription Drug Program, you lose both your RRD retiree medical and prescription drug coverage. When you first enroll, you will receive a letter asking if you wish to opt out or cancel your coverage through SilverScript; this is a required notice and includes Medicare-required wording. You should disregard this letter if you want to keep retiree medical and prescription drug coverage through RRD.

Medicare will not allow you to be enrolled in the RRD Retiree Drug Benefit Program and also participate in an individual Medicare Part C and/or Part D plan.

If you enroll in an individual Medicare Part C and/or Part D plan, your RRD coverage will end and you will not be able to re-enroll in Retiree Welfare Benefits Plan coverage in the future.

Medicare Part C and D are voluntary.

If you choose to enroll in individual coverage, you can enroll during the Medicare Part C and D annual enrollment, which takes place October 15 – December 7, 2022. But in that case, you cannot enroll for RRD coverage.

Special Cost Considerations

- Avoid a late Medicare enrollment penalty by enrolling in Medicare Part B and in a Medicare prescription drug plan (such as RRD prescription drug coverage through SilverScript; see page 5) or other creditable prescription drug coverage when you are first eligible. You may have to pay a penalty of 10% of the base premium for each full 12-month period you were eligible for Part B but didn't have coverage. Additional penalties apply if you don't enroll for creditable prescription drug coverage, such as RRD prescription drug coverage through SilverScript or a Medicare Part D plan. Visit [medicare.gov](https://www.medicare.gov) for more information.
- If you qualify for the Extra Help Program to assist in paying for your medical and prescription drug coverage, you will receive a Low Income Subsidy (LIS) rider along with your Confirmation of Enrollment letter (or your Annual Notice of Change, if you are already enrolled). If you are eligible for this subsidy, the RRD Benefits Center will be notified and will adjust your premiums accordingly.
- If your income is above a certain level, you are responsible for paying Income-Related Monthly Adjustment Amounts (IRMAA) to Social Security. Please call Social Security at **1-800-772-1213** if you have questions.

QUESTIONS ABOUT MEDICARE?

Call your local Social Security office at **1-800-772-1213**, TTY **1-800-325-0778**, Monday – Friday, 7 a.m. – 7 p.m.

FOR PRE-65 RETIREES

and not otherwise Medicare-eligible

RRD Medical & Prescription Drug Coverage

If you are not eligible for Medicare, you have the same pre-65 retiree medical options and plan design available to you as in 2022:

- Retiree Value (still eligible for a private Health Savings Account)
- Retiree PPO

Your prescription drug coverage is provided by CVS Caremark as part of your medical option.

NOTE: When you visit the online enrollment system, you can see and elect your own Medical Program option, even if you are enrolled with a Medicare-eligible family member. Use the interactive “Ask Emma” tool available at rrd.bswift.com to compare your options and features, including costs, coverage and access.

HOW ENROLLING IN MEDICARE WILL AFFECT YOUR HSA

Enrolling in Medicare when you have an HSA?

If you enroll in Medicare Part A and/or B, you can no longer contribute to your HSA. This is because to contribute to an HSA for any month, you cannot have any health insurance other than an HDHP for that month. As soon as your Medicare coverage begins, you must change your contribution to your HSA to zero, as described below. However, you may continue to withdraw money from your HSA after you enroll in Medicare to help pay for medical expenses, such as deductibles, RRD plan premiums, premiums for Medicare Parts B, C or D (but not MediGap premiums), copayments and coinsurance. If you use the account for qualified medical expenses, funds will continue to be tax-free.

What are the consequences of contributing funds to an HSA while enrolled in Medicare?

Medicare beneficiaries who continue to contribute funds to a HSA may face IRS penalties including excise taxes and additional income taxes.

How much can I contribute to my HSA for the year that I enroll in Medicare?

Once you are enrolled in Medicare, you must prorate any HSA contributions for the year the Medicare coverage begins. (You are allowed to contribute 1/12 of the annual contribution amount for each month you did not have Medicare coverage.) Unless you postpone enrollment, Medicare coverage begins on the first of the month in which you turn 65 (except if your birthday is on the first, then Medicare coverage begins on the first day of the month prior to your birthday). Note that collecting Social Security retirement benefits automatically enrolls you in Medicare Part A if you are age 65 or older, and the Medicare enrollment can be retroactive up to six months prior to signing up for Social Security. Check on the date of your Medicare enrollment and prorate your annual HSA contributions accordingly.

NOTE: You can make an HSA contribution after you enroll in Medicare if you did not maximize your contribution for your last full year of HSA eligibility. You have until the tax filing date of the year following the tax year you lose HSA eligibility to make HSA contributions. You can do this even if you are no longer eligible for an HSA, as long as you are making a contribution for a period when you were eligible.

If You or Your Spouse Becomes Eligible for Medicare During the Year

If you wish to retain coverage under the RRD Retiree Medical Benefit Program when you or your spouse becomes Medicare-eligible, here are some important things to note and do:

- **You will begin receiving Medicare notices** about 90 days before your 65th birthday.
- **You must take action to enroll in Medicare Part B** (physician services) if you wish to participate in the company-sponsored group Medicare Advantage plan (also known as Medicare Part C), as explained on page 3 of this guide. This is true even if you become Medicare-eligible due to disability. If you do not enroll in Medicare Part B when you first become eligible, you may also be charged a premium penalty if you later enroll.
- **If some eligible family members are Medicare-eligible** and others are not, individuals may be covered by different options. This is called split family coverage.
- **If you are a subsidy-eligible former employee**, you must enroll in RRD Retiree Medical Benefit Program coverage upon attaining Medicare eligibility. Otherwise, coverage under the Program will no longer be available to you (or your spouse, if he or she is eligible).
- **You must provide your valid Medicare Beneficiary Identifier (MBI)** to the RRD Benefits Center.
- **When you become Medicare-eligible, your plan benefits (e.g., deductible) start over** under the programs described on pages 5-7 of this guide.
- **When you turn age 65 or become eligible for Medicare because of a disability**, you must change from the RRD Pre-65 plan to the RRD Post-65 plan.

ABOUT THIS GUIDE

This guide describes the coverage that will be offered in 2023 to the majority of benefits-eligible retirees under the R.R. Donnelley & Sons Company Retiree Welfare Benefits Plan (the “Plan”). Your benefits eligibility will determine the coverage and premium that is offered to you, your spouse and your eligible child(ren). More details on benefits eligibility are available in the SPDs and SMMs online at myRRDbenefits.com, as well as the enrollment website at rrd.bswift.com. You can also call a Benefits Center Representative at **1-877-RRD-4BEN (1-877-773-4236)**.

IMPORTANT

The descriptions provided in this guide are based on official Plan documents. Every effort has been made to ensure the accuracy of this material. In the unlikely event there is a discrepancy between the official Plan documents, this guide, the SPDs, the SMMs, and any other materials summarizing the Plan, the following documents will control:

- Where this document is intended to summarize existing benefit provisions the SPDs, SMMs, any other materials summarizing the Plans and the official Plan documents, the official Plan documents will control.
- Where this document is intended to communicate a change to the SPDs, SMMs, any other materials summarizing the Plans and the official Plan documents, this document will control.

RRD reserves the right to amend or terminate the Plan or Programs at any time for any reason.
