This Schedule of Benefits and the Member Certificate and any riders **together with the employer Group Master Policy, applications, amendments and any other coverage documents** constitute the contract of insurance. These documents describe the essential features of your coverage and what rules you must follow to obtain covered services.

The employer Group Master Policy **may or may not include** expanded eligibility provisions, beyond those discussed in your Member Certificate. For example, the employer Group Master Policy indicates certain limits regarding dependent coverage. Please contact your employer’s group administrator for details.

If necessary, the Schedule of Benefits and the Member Certificate and any riders are replaced on your group’s renewal and supersede those which were previously issued. **Keep this Schedule of Benefits with your Member Certificate and any riders and refer to these documents when determining covered services.** Benefits will be administered in accordance with the coverage which was in effect at the time services were rendered. Services must always be Medically Necessary as determined by Us.

Prescription Drug Rider

This Prescription Drug Rider is part of your Group Member Certificate issued by Dean Health Plan, Inc. (Dean). Please keep this Rider with your Certificate and other important insurance papers.

This Rider is part of the entire contract as defined by the Policy. It shall continue in force under the same provisions that govern the entire contract. This Rider supersedes any conflicting terms within your Certificate. All other terms, provisions and conditions of the entire contract remain unchanged except as stated above.

In witness whereof, Dean Health Plan, Inc. has executed this Prescription Drug Rider.

Dave Docherty - President

IMPORTANT: Information About this Rider

- For the purposes of this section, the phrase cost-sharing amount refers to your plan-specific Copay, Deductible and/or Coinsurance. Please refer to the Schedule of Benefits for plan-specific prescription Drug cost-sharing amounts.
- You are responsible for reviewing and complying with the formulary guidelines associated with this plan. A Drug's formulary status is subject to change and your Policy documents indicate which formulary to review. To obtain a copy of the current formulary or a list of Drugs requiring Prior Authorization, visit Our web site at deancare.com, log into your DeanConnect portal, or contact Our Customer Care Center at 800-279-1301 (TTY: 711).
- A formulary is a list of prescribed Drugs, medications, supplies and other agents that are approved for use and covered under this Policy. Unless you obtain an exception through Our Non-Formulary Exception Request process, We do not cover any Drugs or other items not listed on the formulary.
- Our formulary is organized by tiers and how much you pay for a certain Drug depends upon its tier placement. To find out if a Drug is on the formulary and/or under what tier a Drug is placed, please visit Our website at deancare.com or contact Our Customer Care Center.
- When you get coverage of a "non covered" medication through Our Non-Formulary Exception Request process, you will pay the highest cost tier based on your prescription Drug benefit.
- Lowering a tier of a Drug product that is either listed on your formulary or a "non covered" prescription Drug for which you obtained approval through Our Non-Formulary Exception Request process is not allowable.
- We maintain the formulary as a guide for physicians or other prescribers of self-administered medications. Our Pharmacy and Therapeutics Committee, which is made up of physicians and pharmacists, reviews and approves the agents listed based on efficacy, comparative studies, safety, Drug interactions, side effects, pharmacokinetics and cost-effectiveness.
- We use evidence-based medical management processes when making coverage decisions, including but not limited to Step Therapy. A Health Care Provider, Member, or authorized representative may present medical evidence to obtain an individual patient exception for coverage of a prescription Drug or device not routinely covered under the Policy.
- If a generic becomes available for a brand name prescription Drug, the tier placement for the brand name prescription Drug may change, and therefore your Copayment and/or Coinsurance may change to the brand tier but also include the difference in cost between the brand and generic prescription (dispensed as written (DAW) penalty), or you will no longer have benefits for that brand name prescription Drug. The DAW penalty charges are not applied to your deductible or out-of-pocket maximum.
- Drugs may be removed from the formulary at any time when a therapeutically equivalent alternative Drug(s) becomes available and covered under this Policy. New Drugs are excluded but may be added to the formulary after the therapeutic advantages of the Drug and its Medically Necessary application are determined. Certain Drug products may be excluded when comparable generic or therapeutic alternatives are available.
- Certain prescription Drugs included on the formulary require Prior Authorization. Please refer to the formulary on deancare.com or by contacting Our Customer Care Center. If Prior Authorization is not obtained when required, no benefits are available. The Drug Prior Authorization process may be initiated by your treating Health Care Provider by filling out a Drug Prior Authorization Request form. This form can be found on deancare.com. When We receive your request form, We will mail Our response to you and your prescribing Health Care Provider. You may contact your Health Care Provider for information about a particular Drug, or you can contact Our Customer Care Center.
- Certain Drugs have Quantity Limits. Please refer to the formulary for these limits.

- Certain Drugs on Our formulary are only covered under Our Partial Fill Program. Our Partial Fill Program requires you to fill certain prescriptions for 15-day supplies for the first three months. You will pay half of the monthly cost-share.
- We assign Drugs to the specialty Drug category based upon the need to provide exceptional management such as: Prior Authorization; clinical oversight and monitoring; special handling; cost; and disease management and/or case management. Some specialty Drugs require Prior Authorization. Specialty Drugs must be obtained from Our specialty Network pharmacies. Certain specialty Drugs may be subject to the Partial Fill Program. Medications classified as specialty Drugs are identified on the formulary.
- All prescription Drugs over \$2,000 will be reviewed for medical management and/or therapeutic interchange. All compounded medications over \$200 will be reviewed to determine whether they meet Our compound Prior Authorization criteria.
- Outpatient prescription Drugs purchased in connection with emergency or Urgent Care services will be paid according to in-Network pharmacy benefits, as follows:
 - When you purchase formulary Drugs in connection with urgent or emergent medical care services, you are not required to use a Network pharmacy if one is not easily accessible. We will cover your purchase as if you went to a Network pharmacy.
 - For Us to cover your prescription, an Out-of-Network Provider must not be under sanction or banned from prescribing by the U.S. Department of Health and Human Services Office of Inspector General.
 - To obtain reimbursement for Drugs purchased from an Out-of-Network pharmacy in an urgent or emergent situation, please submit your receipts along with a prescription manual claim reimbursement form found on Our website at deancare.com.
- We assign Drugs to the specialty Drug category based upon the need to provide exceptional management such as: Prior Authorization; clinical oversight and monitoring; special handling; cost; and disease management and/or case management. Some specialty Drugs require Prior Authorization. Specialty Drugs must be obtained from Our Network specialty pharmacies. Certain specialty Drugs may be subject to the Partial Fill Program. Medications classified as specialty Drugs are identified on the formulary.
- If it is determined that you are receiving certain prescription drugs in a quantity or manner that may harm your health, benefits for these medications will be restricted to medications that are both prescribed by one specific network physician and dispensed by one specific network pharmacy. Failure to receive these medications in this manner will result in a denial of coverage. We will notify you regarding the specific physician and pharmacy assigned for you.
- The use of physician samples or manufacturer discount programs does not count toward historical drug utilization to guarantee drug coverage. All criteria, including Prior Authorization, Step Therapy, and any other requirements, must be met in order to obtain coverage of the drug.

Because the provider network can change, you should confirm Our Network Providers before you seek care. You can do this by viewing Our provider directory on deancare.com or calling Our Customer Care Center at 800-279-1301 (TTY: 711).

We have many Network Providers who can care for you. If you're not sure you need to see a doctor, or you're wondering if you have a problem, call Our free 24-hour nurse line. It's called 24-Hour Nurse Advice Line and can be reached at 800-57-NURSE or/and 608-250-1393. 24-Hour Nurse Advice Line nurses do not provide medical care or treatment. They base their advice solely on the information you give them when you call. Due to licensing laws, 24-Hour Nurse Advice Line services are only available to Wisconsin residents.

When you enroll as a Member you will choose a Primary Care Provider (PCP) to manage your health care. Your PCP evaluates your total health needs and provides personal medical care in one or more medical fields. You can choose either a clinic or a Health Care Provider to be your PCP. If you choose a clinic rather than a Health Care Provider, you may see any PCP in that clinic. Your PCP is also in charge of coordinating services with other Health Care Providers. When medically needed, your PCP preserves the continuity of your care.

Important Information About Your Rights

- We generally require the designation of a Primary Care Provider. You have the right to designate any Primary Care Provider who participates in Our network and who is available to accept you or your family members. Until you make this designation, We will designate one for you. For information on how to select a Primary Care Provider, and for a list of the participating Primary Care Providers, contact Us at 800-279-1301 (TTY: 711) or reference Our website at deancare.com.
- For children, you may designate a pediatrician as the Primary Care Provider.
- You do not need Prior Authorization from Us or from any other person (including a Primary Care Provider) in order to obtain access to obstetrical or gynecological care from a health care professional in Our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining Prior Authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Us at 800-279-1301 (TTY: 711).

Network Providers

Network Providers are Health Care Providers who sign an agreement with Us and are listed in the most current edition of Our Provider Directory to provide medical services to Our Members. Network Providers include, but are not limited to, doctors (MD), podiatrists (DPM), optometrists (OD), chiropractors (DC), nurse practitioners (NP), hospitals, doctors of osteopathy (DO) and pharmacies.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

If you use Our Network Providers, covered charges will be paid based on the agreement between Us and the Network Provider. If there is a difference between the amount the Network Provider agreed to charge and the amount actually billed, you will not have to pay the difference.

Please note, Our contracts with Network Providers will not affect or interfere with your relationship with your Health Care Provider. Your Health Care Provider is still responsible for making all medical decisions regarding your care. This includes deciding which treatments are appropriate for you. However, any treatment plan chosen by your Health Care Provider must meet this Policy's benefit requirements to be covered.

Out-of-Network Providers

Out-of-Network Providers are those Health Care Providers who are not Network Providers, as defined above. We are not responsible or liable for the quality of care provided by an Out-of-Network Provider.

We generally do not cover care provided by Out-of-Network Providers. However, there are a few exceptions:

If you must receive Medically Necessary covered services that We have determined are unavailable from an in-network provider, benefits for the covered services you receive from an out-of-network provider will be provided at the in-network benefit level as defined in your policy. You must obtain Prior Authorization from Us for out-of-network services to be covered in these situations. If an out-of-network provider charges more than the allowed amount for non-emergent covered services, you may have to pay the difference, otherwise known as Maximum Allowable Fee (MAF).

Emergency Services and Urgent Care:

- We will cover Emergency Services or Urgent Care you receive from an Out-of-Network Provider if you cannot reasonably reach a Network Provider.
 - You do not need to ask for Prior Authorization.
 - If you need further care after you are medically stable, We may ask that you transfer to a Network Provider.
 - You still need to pay any applicable Deductible, Coinsurance, or Copay amounts.
 - If you receive Urgent Care, We will pay charges up to Our Maximum Allowable Fee. If there is a difference between the Maximum Allowable Fee and what the Out-of-Network Provider bills, you may have to pay the difference. Please call Our Customer Care Center if you have questions about the Maximum Allowable Fee.

All Other Care:

- We may cover care you receive from an Out-of-Network Provider if a Network Provider cannot provide that care.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

- You must ask for Prior Authorization before you see an Out-of-Network Provider, and We must approve your request. We will decide based on the following:
 - i. Whether a Network or otherwise contracted Provider with the Plan can provide the care you seek; and
 - ii. Whether the care you are seeking is Medically Necessary for you.
- If your Prior Authorization request is approved, We may pay based on Our Maximum Allowable Fee.
- You still need to pay any applicable Deductible, Coinsurance, or Copay amounts.

Continuity of Care:

If you are under the care of a Network Provider who stops participating in the HMO network, you may be able to continue receiving covered services with that provider, at the In-Network Benefit Level, for:

- An Ongoing Course of Treatment for a serious and complex condition. In the case of an acute illness, this includes a condition that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm. In the case of a chronic illness or condition, this includes a condition that is life-threatening, degenerative, potentially disabling, or congenital requires specialized medical care over a prolonged period of time.
- An Ongoing Course of Treatment in an institutional or inpatient care setting;
- An Ongoing Course of Treatment for an illness or condition that is determined to be terminal;
- A scheduled non-elective surgery, including post-operative care respective to the surgery; or
- An Ongoing Course of Treatment for the second and third trimester of pregnancy through post-partum.

Please see the **Glossary of Terms and Benefits** section for more information.

Prior Authorization

Your Health Care Provider must get Prior Authorization from Us before We will cover certain procedures or services. Examples of procedures and services that need Prior Authorization are listed below. This is NOT a complete list. You should contact Our Customer Care Center at 800-279-1301 (TTY: 711) to verify whether a procedure or service needs Prior Authorization.

Examples of Procedures/Services Requiring Prior Authorization:

- All Out-of-Network Provider services except for emergency and urgent care services.
- Certain medical injectables.
- Certain radiology services.
- Clinical trials.
- Communication devices.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. The Process for Obtaining Prior Authorization:

If your Health Care Provider recommends that you have a service or procedure that needs Prior Authorization, your Health Care Provider should submit a Prior Authorization request form to Us. It is the Member's responsibility to make sure that your Health Care Provider requests Prior Authorization. We must receive the Prior Authorization request at least 15 business days before the date of your service or procedure. We will notify you in writing of Our decision.

Your Health Care Provider may decide that it is Medically Necessary for you to 1) get additional services beyond what We originally authorized, or 2) receive care for longer than the length of time We originally authorized. If this happens, your Health Care Provider must contact Us to request an extension of the original authorization. You and your Health Care Provider will be notified of whether We approve or deny your extension request.

Prior Authorization does not guarantee coverage and/or payment if you have already reached a benefit maximum or your coverage has been terminated.

Failure to Get Prior Authorization:

If you fail to get Prior Authorization for any Medically Necessary covered service which requires an authorization, you, the Member, may be responsible for paying 100% of the total cost. You, the Member, must ensure that your Health Care Provider has gotten Prior Authorization for all services.

Urgent Care and Emergency Services:

In urgent and emergency situations, you may need medical attention before the written Prior Authorization process can take place. You do not need to get Prior Authorization for Urgent Care or Emergency Services. However, if you need to be admitted to a facility We must be notified within 48 hours or when it is medically feasible (whichever is longer) at 800-279-1301 (TTY: 711).

Inpatient services may be reviewed for Medical Necessity.

If you get Urgent Care or Emergency Services from an Out-of-Network Provider and need further care, We may ask that you transfer to a Network Provider after you are medically stable.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Concurrent Review for Out-of-Network Providers:

We will continue to review facility Confinements and certain outpatient services after you have gotten an initial Prior Authorization. We review these services concurrently to decide if they continue to be Medically Necessary. If your Health Care Provider decides that additional care beyond the length of time originally authorized is Medically Necessary, your Health Care Provider must contact Us to request an extension. We will notify the Health Care Provider of Our decision to approve or deny the request. If a Health Care Provider fails to provide Us the information We need to make a decision, We will deny those services. Any amount(s) denied for this reason will not apply toward satisfaction of the Out-of-Pocket Expense Maximum.

The treatment, services or supplies provided by a hospital or Health Care Provider that are required to identify or treat a Member's illness or injury and which, as determined by Us, are: a) consistent with the Member's illness or injury; b) in accordance with generally accepted standards of medical practice; c) not solely for the convenience of a Member, hospital, or other provider; and d) the most appropriate supply or level of service that can be safely provided to the Member in the most cost effective manner.

The fact that a doctor has performed or prescribed a procedure or treatment or the fact that it may be the only treatment for a particular illness or injury does not mean that it is Medically Necessary, as defined in this Certificate. The definition of Medically Necessary used in this Certificate relates only to this Policy and may differ from the way a doctor engaged in the practice of medicine defines medically necessary.

Outpatient Hospital or Ambulatory Surgical Services:

An ambulatory surgery center is an outpatient surgical facility that provides day surgery services to persons who need care for less than 24-hours. An outpatient surgical facility is a registered public or private medical facility that has an organized staff of licensed practitioners and registered professional nursing services with permanent facilities equipped and operating primarily to perform surgery. The facility must be Medicare-certified and licensed or registered to provide the treatment by the state in which it is located, as appropriate.

The Member and the provider make the final decision regarding whether the Member will receive any services. If a Member receives services without an approved Prior Authorization request, the claim may be denied if it is not found eligible for coverage. The ID card does not guarantee coverage or payment of benefits. If your ID card is lost, stolen or otherwise needs replacement, you can request a new one.

Notice of Change(s) That May Affect Your Coverage

As a Member, it is your responsibility to notify your employer of any changes that might affect your coverage so that your employer can notify Us timely. You should report these changes to your employer immediately. These changes include, but are not limited to:

1. Eligibility for Medicare.
2. Coverage under other health insurance.
3. Loss of eligibility for coverage due to termination of employment, divorce or death of the Subscriber.
4. The addition of any new Qualified Dependents to your family.
5. Changes in Qualified Dependent status (for details see “Glossary of Terms” Section).

Failure to timely report these changes to your employer (generally 31 days from the date the change occurs) may result in you and/or your Qualified Dependents:

1. Becoming subject to the Late Enrollee Policy;
2. Claims being denied;

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

3. Incorrect Premiums being collected, or
4. Retroactive termination of coverage under this Policy.

When Coverage Ends

Coverage under this Policy will end on the earliest of the following dates, unless stated otherwise in this Certificate or the Group Master Policy:

1. The last day of the month in which the Subscriber no longer meets the definition of an Eligible Employee. Coverage for Qualified Dependents will end on the same date.
2. The date of Policy termination or non-renewal.
3. The date the Member is called to active duty status in the military. (Check with your employer to see if it has other requirements.)
4. The date of a Member's disenrollment, as stated in the "Disenrollment" subsection.
5. For a grandchild of the Subscriber, the date the parent who is the Subscriber's Qualified Dependent child reaches age 18 or otherwise loses eligibility for coverage.
6. For a Qualified Dependent child, coverage ends:
 - o When a dependent turns 26, as determined in the Group Master Policy.
 - o The day a dependent who was called to active duty prior to age 27 stops being a Full-Time Student.
7. A mentally or physically disabled child may remain insured as a Qualified Dependent beyond the maximum dependent age stated in this Certificate, as set forth in the definition of "Qualified Dependent." Coverage will end the last day of the month that the disabled child no longer meets the requirements for extended coverage of disabled children.
8. For a divorced spouse or stepchildren, the last day of the month that a divorce judgment is entered.

1. Your Confinement ends;
2. You exhaust the benefits available under this Policy;
3. 90 consecutive days pass after your coverage under this Policy ends; or
4. You get similar coverage under another group health policy for the hospital services.

This provision only applies if your coverage ends, but your employer's Policy with Us remains in force.

Extension of Coverage: Total Disability

If you are Totally Disabled on the date your coverage under this Policy ends, coverage for services for your disabling condition will continue until the earliest of the following:

1. Your Total Disability ends;
2. The Benefit Period specified in the Group Master Policy or Certificate ends;
3. You exhaust the maximum available benefit; or
4. You get similar coverage under another group health policy for the condition or conditions causing the Total Disability.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Extended coverage does not cover dental, uncomplicated pregnancy expenses or a condition other than the condition(s) causing the Total Disability.

Continuation

If your coverage ends as described in the “When Coverage Ends” subsection, you may be eligible to continue coverage or convert to an individual policy as described below.

Federal Group Health Continuation Rights under COBRA

The Federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, requires most group health plans to provide a temporary continuation of coverage that might otherwise be terminated.

If you elect continuation coverage, you may be responsible for all or part of the Premium payments (as determined by the employer). You do not have to provide proof of good health to elect COBRA continuation coverage. This provision generally explains when COBRA continuation coverage is available and what you need to do to exercise your right to receive COBRA continuation coverage.

Qualifying Events Under COBRA

COBRA continuation coverage is available to “qualified beneficiaries” who have experienced a “qualifying event.” You, your spouse and your dependent children could become qualified beneficiaries.

Subscriber

If you are a Subscriber, you have the right to choose COBRA continuation coverage if you lose your group health coverage because of a reduction in your hours of employment or the termination of your employment (for reasons other than gross misconduct).

Spouse

If you are the spouse of a Subscriber, you have the right to choose COBRA for yourself if you lose group health coverage for any of the following qualifying events:

1. The death of your spouse (Subscriber).
2. Termination of the Subscriber’s employment (for reasons other than gross misconduct) or reduction in the Subscriber’s hours of employment.
3. Divorce or legal separation from the Subscriber.
4. The Subscriber becomes entitled to Medicare.
5. The Subscriber has retiree coverage and the employer files for bankruptcy (Chapter 11 Reorganization).

Qualified Dependent

In the case of a Qualified Dependent child of Our Subscriber, he or she has the right to elect continuation coverage if group health coverage is lost for any of the following qualifying events:

1. The death of the Subscriber.
2. The termination of the Subscriber’s employment (for reasons other than gross misconduct) or reduction in hours of employment.
3. Parent’s divorce or legal separation.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

4. The Subscriber becomes entitled to Medicare.
5. The dependent child ceases to be a Qualified Dependent.
6. The Subscriber has retiree coverage and the employer files for bankruptcy (Chapter 11 Reorganization).

Obligation to Report Qualifying Events

The Subscriber, spouse or Qualified Dependent is responsible for informing the Policy administrator/employer of any of the following qualifying events within 60 days of their occurrence:

- Divorce;
- Legal separation; or
- Child losing dependent status under the plan.

The employer (if the employer is not the Policy administrator) is responsible for notifying the Policy administrator of any of the following qualifying events within 30 days of their occurrence:

- Subscriber's death;
- Termination or reduction in hours of the Subscriber's employment;
- Subscriber's entitlement to Medicare, or
- Commencement of the employer's bankruptcy proceedings.

Within 14 days of receiving notice of your qualifying event, the Policy administrator will notify you of your right to elect COBRA continuation coverage.

Electing COBRA Continuation Coverage

Each qualified Member has an independent right to elect COBRA continuation coverage. Additionally, Subscribers may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children. If you wish to elect COBRA continuation coverage, you must do so within 60 days of receiving notice of your right to elect COBRA continuation coverage or losing coverage, whichever is later. If you do not elect continuation coverage, your coverage under this Policy will terminate.

Benefits Under COBRA Continuation Coverage

If you elect continuation coverage, the employer is required to give you coverage that (as of the time coverage is being provided) is identical to the coverage provided under the Policy to other Members. You will be afforded the opportunity to maintain continuation coverage for up to 3 years from the date of your qualifying event, unless your qualifying event was termination of employment or reduction in hours.

If your qualifying event is the termination or reduction of hours of the Subscriber's employment, qualified beneficiaries are entitled to a maximum of 18 months of continuation coverage. However, an 18-month maximum period can be extended:

1. If any of the qualified beneficiaries in your family is disabled and meets certain requirements, all of the qualified beneficiaries receiving continuation coverage due to a single qualifying event are entitled to an 11-month extension of coverage, for a total maximum period of 29 months. To qualify, you must notify the plan of the disability within 60 days after the latest of: a) the date of the SSA disability determination; b) the date on which the qualifying event occurs; c) the date on which the qualified

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. beneficiary loses (or would lose) coverage; or d) the date on which the qualified beneficiary is informed of the obligation to provide disability notice. If you choose to extend your COBRA coverage, you must elect it before the end of the 18-month period by giving written notice of your election to extend COBRA coverage.

2. If a qualified beneficiary experiences a second qualifying event while receiving COBRA coverage, he or she is entitled to an 18-month extension of coverage, for a total maximum period of 36 months. The following are considered a second qualifying event as long it would have caused the qualified beneficiary to lose coverage under the plan in the absence of the first qualifying event: the death of the Subscriber, the Subscriber becomes entitled to Medicare, the divorce or legal separation of the Subscriber and spouse, or a loss of dependent child status under the plan. You must notify the employer/Policy administrator of all of these events within 60 days of: a) the date on which the qualifying event occurs; b) the date on which you lose (or would lose) coverage; or c) the date on which you are informed of the obligation to provide such notification.

Loss of COBRA Continuation Coverage

Please note your continuation coverage may be cut short for any of the following reasons:

1. The employer no longer provides group health coverage to any of its employees.
2. The Premium for your continuation coverage is not paid.
3. You become an employee covered under another group health policy.
4. You become entitled to Medicare following the COBRA election date.

At the end of the COBRA coverage period, you have the right to enroll in an individual policy with Us, if you apply and We receive your application within 31 days after your continuation coverage ends. Please contact Our Customer Care Center for information on how to enroll.

If you have any questions

You should address your requests for additional information, or questions concerning your COBRA rights, should be addressed to your Policy administrator/employer. For more information about your rights under ERISA, including COBRA and the Health Insurance Portability and Accountability Act (HIPAA) and other laws affecting group health policies, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at dol.gov/ebsa/.

In order to protect your family's rights, Members should keep the Policy administrator/employer and Us, informed of any changes in the addresses of family members. You should also keep a copy of any notices you send to the Policy administrator/employer, for your records. Please see this Certificate's cover page for information on how to contact Us.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Continuation Coverage under the Uniformed Services Employment and Reemployment Rights Act (USERRA)

If a Subscriber leaves employment due to active military service of longer than 30 days, he or she may elect to continue coverage under the Policy for up to 24 months under the Uniformed Services Employment and Reemployment Rights Act (USERRA) by providing advance notice of the military service and electing to continue coverage. Please contact your employer/Policy administrator for further information on your rights under this law.

This provision does not fully describe continuation coverage or other rights under your employer's Policy. More complete information regarding such rights is available from your Policy administrator/employer.

Wisconsin Group Health Continuation and Individual Coverage

You as the Subscriber and any Qualified Dependents may apply, without proof of good health, for a continuation of group coverage or for an individual policy. You can apply if you have been covered under this Policy for three consecutive months and you leave your employer group for any reason other than discharge for gross misconduct.

Your employer must notify you of your right to continuation coverage within 5 days of receiving your notice to terminate coverage. You must then apply for coverage within 31 days of receiving notice of your right to continuation coverage.

If you choose continuation coverage, your employer is required to give you coverage that is identical to the coverage provided to the other Members under the Policy. You will be responsible for paying the entire Premium due for your coverage.

You are eligible for continuation coverage if you lose your group coverage for any of the following reasons:

1. You are a Subscriber who is no longer eligible for coverage under this Policy, except if your employment was terminated for gross misconduct.
2. You are a Qualified Dependent of a Subscriber who is no longer eligible for coverage under the Policy, except if the Subscriber's employment was terminated for gross misconduct.
3. You are the Subscriber's spouse who is no longer eligible for coverage under the Policy due to divorce or annulment.
4. You are the Subscriber's spouse or dependent who is no longer eligible for coverage under the Policy due to the Subscriber's death.

Group continuation coverage will be available for a maximum of 18 months. You must be a Wisconsin resident, pay timely Premiums and you cannot be eligible for similar coverage under another group Policy. You may apply for an individual policy at the end of the 18-month period, but in order to be eligible, We must receive your application within 31 days after your continuation coverage ends.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Disenrollment

A Member may be disenrolled for any of the following reasons:

1. The required Premiums are not paid by the end of the grace period. The grace period ends 31 days from the last unpaid Premium due date.
2. The Member performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact in connection with the coverage.
3. The Subscriber no longer resides, lives or works in the Service Area, or in the area for which We are authorized to do business.

If a Member is disenrolled for fraud or intentional misrepresentation of material fact, this coverage will be continued until the Member finds his or her own coverage or until the next opportunity to change insurers, whichever comes first.

The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. VI. GENERAL PROVISIONS

*Certain terms used in this Section are defined throughout and/or in the **Glossary of Terms**.*

Benefit Determination and Policy Interpretation

We, as the claims administrator, have the exclusive discretionary authority to determine eligibility for benefits and to construe the terms of this Policy. Any such determination or construction shall be final and binding on all parties, unless it is arbitrary and capricious.

Circumstances Beyond Our Control

If the rendition or provision of services and other covered benefits is delayed or rendered impractical due to circumstances not reasonably within Our control, such as complete or partial insurrection, labor disputes, disability of a significant part of hospital or medical group personnel or similar causes We and Network Providers will use Our best efforts to provide services and other covered benefits. However, neither We nor any Network Provider shall have any other liability or obligation on account of such delay or such failure to provide services or other benefits.

Confidentiality

We respect the confidentiality of Our Members and will use reasonable efforts to keep confidential all medical information regarding a Member. Please see Our “Notice of Privacy Practices” brochure provided with your new Member information or view on Our website at deancare.com/privacy.

Conformity with Federal and State Laws

We comply with all applicable federal and states laws. This Certificate will conform to the minimum requirements of applicable laws if any provision conflicts with the laws of the state in which We issue this Policy.

Ethical and Religious Directives

This Policy may provide payment for certain Covered Services which conflict with, or may conflict with, directives contained in the *Ethical and Religious Directives for Catholic Health Care Services*, 6th Edition, as adopted by the United States Conference for Catholic Bishops and as amended from time to time. Said payment does not constitute Our recommendation or endorsement that you consider or receive such Covered Services.

Limit on Assignability of Benefits

This is your personal Certificate. You cannot assign any benefit to anyone other than a doctor, hospital or other provider entitled to receive a specific benefit for you.

Limit of Liability

We shall not be held liable for injuries, damages, expenses related to, or the result of improper advice, action, or omission by any Health Care Provider.

Limitations on Suits

No action can be brought against Us to pay benefits until the earlier of 60 days after We have received or waived proof of loss, or the date We have denied full payment. This delay will not cause prejudice against you. No action can be brought more than 3 years after the time We require written proof of claim to be submitted.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Major Disaster or Epidemic

If a major disaster or epidemic occurs, Network Providers and hospitals will render medical services (and arrange extended care services and home health service), insofar as practical, according to their best medical judgment and within the limitation of available facilities and personnel. If the disaster or epidemic causes unavailability of facilities or personnel, We and Network Providers have no liability, or obligation for delay or failure to provide or arrange for such services. In this case, Members may receive Covered Expenses from Out-of-Network Providers.

Fraud and Intentional Misrepresentation: Right of Rescission

Intentional and material misrepresentations made when applying for coverage could cause an otherwise valid claim to be denied, or your coverage to be rescinded. Carefully check the information provided when you apply for coverage and write to Us within 10 days if any of the information is incorrect or incomplete (such as an incomplete medical history). This Certificate was issued on the basis that the statements, representations and warranties made when you and any dependents applied for coverage are correct and complete.

We will rescind coverage if information is received that indicates a fraudulent or an intentional and material misrepresentation was made by you or anyone acting on your behalf when you applied for insurance, if you or the person acting on your behalf knew that the representation was false and either:

1. We relied on the misrepresentation and the misrepresentation was either material or was made with intent to deceive; or
2. The fact misrepresented contributes to a loss under the Policy.

Within 60 days after acquiring knowledge of an intentional and material misrepresentation, We will notify you of Our intention to either rescind coverage or defend against a claim if one should arise; within 120 days we will notify you if We determine that it is necessary to secure additional medical information.

If your coverage is rescinded due to fraud or intentional misrepresentation, you will not be eligible for continuation coverage.

Oral Statements

No oral statement of any person shall: modify or otherwise affect the benefits, limitations, exclusions and conditions of this contract; convey or void any coverage; increase or reduce benefits described within this Certificate; or be used in the prosecution or defense of a claim under this Policy.

Doctor and Hospital Reports

Doctors and hospitals, from time to time, must give Us reports to help Us determine Member benefits. By accepting coverage under the Policy, you have agreed to authorize providers to release any necessary records to Us. This is a condition of Our issuing this contract and paying benefits. Please Note: Expenses for patient-requested records are not covered by Us.

For more information about authorizing release of records, refer to Right to Collect Needed Information below.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Physical Examination

We have the right to request a Member to receive a physical examination to determine eligibility for benefits. We will pay for this expense if We request such an examination. By accepting coverage under the Policy, you have agreed to consent to any required examination. Please call Our Customer Care Center for a listing of doctors who can provide required examinations.

Proof of Claim

As a Member, it is your responsibility to show your health insurance ID card each time you receive services. Failure to notify a Provider of your membership may result in claims not being filed on a timely basis. This delay may cause your claim to be denied and you to be billed for the charges involved.

Recovery of Excess Payments

If We pay more than We owe under this Policy, We can recover the excess payment from you. We can also recover from another insurance company or service Policy, or from any other person or entity that has received any excess payment from Us.

Right to Collect Needed Information

Members must cooperate with Us when We investigate a claim or require information necessary to administer the Policy. Cooperation includes, but is not limited to, the following assistance:

1. Authorizing the release of medical information, including the names of all providers from whom you received medical attention;
2. Providing information about the circumstances of any injury or accident;
3. Providing information about other insurance coverage and benefits; and
4. Providing a Member's Social Security Number or other personal information.

Your failure to assist Us may result in Our denial of claims.

Right to Exchange Information

By accepting coverage under the Policy with Us, each Member gives permission to Us, the Network Provider and/or clinic to obtain and share any information (including medical records) necessary for administering the terms of this Policy. The Member also agrees to provide Our Network Providers and/or clinics any information that is needed to administer the terms of this Policy. The information obtained will be kept confidential and used only for the purpose of administering this Policy. All Members have a right to access their medical records at their own expense.

Severability

If any part of this Certificate or the Policy is ever prohibited by law, it will no longer apply. The rest of this Certificate or the Policy will continue in full force.

Subrogation

If you are entitled to special damages for an illness or injury caused by a third party or for which any party is liable, you agree that We have a claim for subrogation as to those damages. Our subrogation claim is for the reasonable value of the medical care and services you receive related to that illness or injury. We have the right to recover payments you are entitled to

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. receive from: a responsible third party, the insurance company of the third party, a company that provides medical payment coverage, Workers Compensation coverage, or uninsured or underinsured motorist protection for you.

You agree to honor Our subrogation rights, to cooperate with Us in the enforcement of Our subrogation rights and to take no action which would prejudice Our subrogation rights and interests without first obtaining Our prior consent, so We may protect such rights and interests.

Under applicable state law, We may have no right to recover from you if you have not been "made whole." Furthermore, We may be entitled to recover directly from a third party, the third party's insurer or any other liable insurer. You agree to provide Us with written notice of any claim or lawsuit that you initiate against a third party, if that claim or lawsuit includes any special damages for an illness or injury. You also agree that any settlement or compromise of a claim or lawsuit will not terminate Our rights to subrogation, unless We have provided prior written consent. Before any settlement is reached, you must notify the third party or parties of the amount of Our subrogation claim. We will not pay for any fees or costs associated with a claim or lawsuit, unless We give prior, express written approval. If We erroneously pay for or provide medical services which are the result of a work-related illness or injury for which the employee may be eligible for workers' compensation benefits, you agree to reimburse Us to the extent of the value of such services.

Timely Submission of Claims

If you receive services from a Health Care Provider that requires you to submit the claim to Us for reimbursement, you must obtain an itemized bill and submit it to:

**Dean Health Plan, Inc.
Attention: Claims Department
P.O. Box 56099
Madison, WI 53705**

Claims must be submitted within 60 days of the date of service, or as soon as possible. If We are the primary payor and We do not receive the claim within 12 months after the date of service, We will deny coverage of the claim. If you do not notify a provider that you have coverage with Us and this failure results in a claim not being filed in a timely manner, We may deny coverage of the claim. If We are the secondary payor, the time limit for timely submission begins with the date of notice of payment or rejection by the primary payor.

End of Section VI

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

VII. COORDINATION OF BENEFITS (COB)

*Certain terms used in this Section are defined throughout and/or in the **Glossary of Terms**.*

Coordination of Benefits Provision

This Coordination of Benefits (COB) provision applies when a Member has coverage through more than one health plan or through an out-of-network pharmacy policy. Please note that We coordinate benefits following Wisconsin's requirements.

Definitions: For the purposes of this COB provision only, the following terms are defined:

Allowable Expense is the necessary, reasonable and customary item of expense for health care, when the expense is covered in whole, or in part, by one or more Plans covering the Member for whom the claim is made. For example, the cost difference between a private and semi-private hospital room is not an Allowable Expense, unless it is determined that the person's stay in a private hospital room is Medically Necessary.

Claim Determination Period is a Contract Period. However, this does not include any time of a Contract Period that a person is not covered under This Plan, or any time before this or a similar COB provision became effective.

Plan is any insurance policy, benefit program or other arrangement that provides benefits or services for medical or dental care. This includes:

1. Group or group-type coverage that includes continuous 24-hour coverage. This includes any HMOs, IPAs, prepaid group practices, PPOs or other prepayment, group practices or individual practice plans.
2. Governmental plans or coverage that is required or provided by law. This does not include state Medicaid plans, Medicare Supplement policies, or any plan whose benefits by law are in excess to those of any private insurance program or other non-governmental program.
3. Individual automobile "no-fault" contracts.

Primary Plan will pay benefits for Covered Expenses as if no other coverage were involved.

Secondary Plan will determine payment for Covered Expenses based on the benefits paid by the Primary Plan.

This Plan means the Certificate We have issued to you as a Member.

COB Information

At times We need information to coordinate benefits appropriately. We determine what information is needed and We obtain that information from other organizations or persons. We will only obtain the information or documentation needed to apply the COB rules. We may also provide necessary information or documentation to another organization or person in order to coordinate benefits. Medical records remain confidential as provided by state and federal requirements.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

We may make a payment to another Plan if that Plan made a payment that We should have made. If We make such a payment on behalf of a Member, it will be considered a benefit payment for the Member's Plan and We will not pay that amount again.

Additionally, We will recover any payment that exceeds the amount that should have been paid. We will recover the excess amount from any person or organization to whom, or on whose behalf, the payment was made.

Order of Benefit Determination Rules

This Plan's benefits will not be reduced if the following rules indicate that This Plan is primary. However, benefits may be reduced if the rules indicate that This Plan is secondary. The first rule that applies is the rule that will determine which insurance Plan is primary.

1. No coordination of benefits provision

If the other Plan does not have a coordination of benefits provision, that Plan will be primary.

2. Non-dependent/dependent

The Plan that covers a person as an employee, Member or Subscriber (other than as a dependent), is primary. The Plan that covers a person as the dependent of an employee, Member or Subscriber is secondary.

3. Coordinating coverage for dependent children

If a dependent child has coverage through both parents' Plans and the parents are not separated or divorced, the birthday rule is used to determine which Plan is primary.

- a. **The Birthday Rule:** The Plan of the parent whose birthday falls earlier in the calendar year is primary. If both parents have the same birthday, the Plan that covered a parent for a longer period of time is primary.
- b. **Exception to the Birthday Rule:** If the other Plan does not coordinate benefits by the birthday rule, benefits will be coordinated according to the other Plan's COB provisions.

4. Coordinating coverage for dependent children of divorced, legally separated parents or unmarried parents.

If a dependent child has coverage through both parents' plans and a court order awards custody of the child to one parent, benefits are coordinated as follows:

- a. First the Plan of the parent who has custody of the child; then
- b. The Plan of the spouse of the parent who has custody of the child; then
- c. The Plan of the parent who does not have custody; then
- d. The Plan of the spouse of the parent who does not have custody.

If a court decree orders one parent to be responsible for health care expenses, the Plan of that parent is primary. If a court decree states that both parents share joint custody but does not state which parent is responsible for health care expenses, the order of benefits will be determined by the birthday rule in "3." above. Note: We will only enforce rule "4." when We have actual knowledge of the court-ordered terms.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

5. Active/Inactive Employee

The plan that covers a Subscriber and/or dependent as an actively at work employee is primary for that Subscriber and/or dependent over a plan that covers a Subscriber as a laid off or retired employee. If the other Plan does not have this rule and as a result the Plans do not agree on the order of benefits, this rule is ignored.

6. Continuation Coverage

The Plan that covers a Member as an actively at work employee or as that employee's dependent is primary over the Plan that covers a Member through a continuation Plan issued pursuant to state or federal law. If the other Plan does not have this rule and as a result the Plans do not agree, this rule will not apply.

7. Longer/Shorter Length of Coverage

If none of the above rules apply, the Plan that has covered the person for a longer period of time is primary.

Calculating Benefits When This Plan Is Secondary

When one or more group-type or government health Plans are primary, the benefits of this Policy may be reduced under this section.

The benefits under this Plan may be reduced so that Our benefits and the benefits payable under the other Plans do not equal more than the total Allowable Expenses. When the benefits of this Policy are reduced as described, each benefit is reduced in proportion and it is then applied to any applicable benefit limit of this Policy.

Coordinating Benefits with Medicare

We will coordinate benefits with Medicare when a Member becomes eligible for Medicare benefits. In doing so, We will follow all applicable state and federal laws (including, but not limited to, statutes, regulations and sub-regulatory guidance). In no case will Our payment and Medicare's payment be more than the total Allowable Expenses. All Plan Copays, Coinsurance, Deductibles, maximums, limitations and exclusions apply to all benefits paid under This Plan.

If a Member is eligible for Medicare and Medicare would be the Primary Plan for that Member, We strongly suggest that the Member enroll in both Medicare Part A and Part B. Failure to enroll in Medicare Part A and B will result in the Member paying out-of-pocket expenses for services that Medicare might have covered, because We will process the Member's claims as if the Member is enrolled in Medicare. For more information, please see the "Payment of Claims" subsection in this section, or contact Our Customer Care Center.

The three ways a Member can be eligible for Medicare benefits are as follows:

1. Reaching Age 65

A Member who reaches age 65 may become eligible for Medicare Parts A and B. We strongly suggest that you contact the employer through which This Plan was obtained and the Social Security office in your area for information regarding enrollment into Medicare before your 65th birthday.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Once you reach age 65 and are eligible for Medicare benefits, We will coordinate benefits as follows:

a. Subscriber has “current employment status” as defined by Medicare regulations:

- i. If the Subscriber’s employer has 19 or fewer employees, as defined by Medicare regulations, We will pay secondary to Medicare.
- ii. If the Subscriber’s employer has 20 or more employees, as defined by Medicare regulations, We will pay primary to Medicare.

b. Subscriber does not have “current employment status” as defined by Medicare regulations:

- i. If the Subscriber has accepted a severance package, is retired, is on group continuation, is on long-term disability, or otherwise does not have “current employment status” as defined by Medicare, We will pay secondary to Medicare.

Benefits will be coordinated as described in the “Payment of Claims” subsection.

2. Medicare Disability

If the Member is under age 65, is considered Medicare Disabled and is eligible for Medicare Parts A and B, We will coordinate benefits as follows:

a. Subscriber has “current employment status” as defined by Medicare regulations:

- i. If the Subscriber’s employer has 99 or fewer employees, as defined by Medicare regulations, We will pay secondary to Medicare.
- ii. If the Subscriber’s employer has 100 or more employees, as defined by Medicare regulations, We will pay primary to Medicare.

b. Subscriber does not have “current employment status” as defined by Medicare regulations:

- i. If the Subscriber has accepted a severance package, is retired, is on group continuation, is on long term disability, or otherwise does not have “current employment status” as defined by Medicare regulations, We will pay secondary to Medicare.

Benefits will be coordinated as described in the “Payment of Claims” subsection.

3. End Stage Renal Disease

If the Member is diagnosed with End Stage Renal Disease (ESRD), This Plan will be primary to Medicare for 30 months from the initial month of Medicare eligibility, as determined by the Social Security Administration.

After 30 months have passed, Medicare will be primary and This Plan will be secondary. Medicare benefits are not limited to just ESRD treatment. Medicare coverage may end 12

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

months after maintenance dialysis is no longer needed or 36 months after a successful transplant.

Please contact Our Medicare COB Analyst or Our Customer Care Center when you receive information from Medicare or Social Security about changes to End Stage Renal Disease coverage.

If the federal laws regarding the payment of benefits changes, and the determination of Medicare as a Primary Plan or Secondary Plan changes, This Plan will comply with those changes.

Payment of Claims

1. When We coordinate benefits as the Secondary Plan, We will coordinate after Medicare has processed the claim. If the Member is eligible for Medicare Parts A and B, but did not enroll in Medicare, We will coordinate benefits as if the Member was enrolled in Medicare. The Member will be responsible for all services that would have been covered by Medicare. All Plan Copays, Deductibles, maximums, limitations and exclusions will still apply to benefits coordinated with Medicare.
2. When We coordinate benefits as the Primary Plan, We will process the claims without consideration of what Medicare may cover. All Plan Copays, Deductibles, maximums, limitations and exclusions will apply. If, at any time, We become the Secondary Plan (e.g., due to retirement or change in employer), We will then coordinate benefits as the Secondary Plan. In the event We pay claims as primary, but determine at a later time, whether during or after the termination of This Plan, that Medicare should have paid the claims as primary, We will recover such payments. The recovery date of these claims will go back one year, to the first day of the month in which the error is discovered. (For example, if an error is found on October 15, 2019, the recovery will go back to October 1, 2018).

End of Section VII

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

VIII. GRIEVANCES AND APPEALS

*Certain terms used in this Section are defined throughout and/or in the **Glossary of Terms**.*

Grievances and Appeals

A. Complaint

A complaint is any expression of dissatisfaction expressed to Us by the Member, or a Member's authorized representative, about Us or Our providers with whom We have a direct or indirect contract. We take all Member complaints seriously and are committed to responding to them in an appropriate and timely manner.

If you have a complaint, please contact Our Customer Care Center. We will document and investigate your complaint and notify you of the outcome. If your complaint is not resolved to your satisfaction you have the right to file a grievance/appeal. Any written expression of dissatisfaction will automatically be addressed as a grievance/appeal. (See "B. Grievance")

B. Grievance/Appeal

A grievance/appeal is any dissatisfaction with Us, including adverse determinations, the way We provide services or process claims, a decision to change or rescind a policy or a decision to deny a benefit. A grievance must be expressed in writing to Us by, or on behalf of, a Member.

If you wish to receive a free copy of any documents relevant to the outcome of your grievance/appeal, send a written request to the address listed below. All standard grievances/appeals will be resolved within 30 calendar days of the day We receive your request. All expedited grievances/appeals will be resolved within 72 hours of the time We receive your request.

This grievance/appeal process does not apply when a Member is requesting coverage of a Drug or item not listed on Our formulary. These requests are subject to the non-formulary exception process described later in this section.

To file a grievance/appeal, you or your authorized representative must send your grievance to Us in writing at the following address:

**Dean Health Plan, Inc.
Attention: Grievance and Appeal Department
P.O. Box 56099
Madison, WI 53705**

When We receive your grievance/appeal, Our Grievance and Appeal Department will send you an acknowledgement letter within 5 business days. Our acknowledgment letter will advise you of:

- Your right to submit written comments, documents or other information regarding your grievance;
- Your right to be assisted or represented by another person of your choosing;
- Your right to appear before the Grievance and Appeal Committee; and

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

- The date and time of the next scheduled Grievance and Appeal Committee meeting. This meeting will not be less than 7 calendar days from the date of your acknowledgment letter but will occur within 30 calendar days of the date We received your grievance.

If you choose to meet with the Grievance and Appeal Committee you may do so either in person or over the phone via teleconference. As described in the acknowledgement letter you must call and schedule a meeting time.

Your grievance/appeal will be documented and investigated. So that you will have time to respond prior to Our decision, We will automatically send you the following information:

1. Any new or additional evidence We consider, rely upon, or generate in the course of considering your grievance/appeal; or
2. Any new or additional rationale We use to make Our decision.

C. Expedited Grievance/Appeal

If We decide your grievance/appeal is urgent according to Our criteria, We will resolve your request within 72 hours of the time We receive it. Our criteria are based on the expedited grievance/appeal provisions of applicable law. For situations involving Ongoing Course of Treatment and/or concurrent review, coverage will continue during the grievance/appeal process.

We will automatically treat your grievance/appeal as expedited if:

1. Your concerns are related to a facility admission or concurrent review of a continued facility stay;
2. Our Medical Director decides your life, health, or ability to regain maximum function could be jeopardized by the standard review timeframe;
3. Your Health Care Provider notifies Us that you would be subject to severe pain that cannot be adequately managed without the services you requested; or
4. Your Health Care Provider notifies Us that he or she has decided you need care urgently.

You, your authorized representative or your Health Care Provider may request an expedited grievance/appeal either orally or in writing. You can make this request in your initial request or in a separate communication.

If you are eligible for an expedited internal grievance/appeal and also for external review, you can request that your internal and external reviews happen at the same time.

D. Independent External Review

You may also be entitled to an independent external review. You can ask for an external review if We denied your grievance/appeal and it involves care that We have determined does not meet the Policy requirements for reasons involving medical judgement. Those reasons include, but are not limited to:

1. Medical Necessity;
2. Appropriateness;
3. Health care setting;

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

4. Level of care; or
5. Effectiveness of a covered benefit.

You can also request an external review if your requested services are considered Experimental or Investigational or if We have rescinded your Policy, whether You or a Qualified Dependent is entitled to a reasonable alternative standard for a reward under a wellness program, or whether We are complying with the non-quantitative treatment limitation provisions of mental health parity requirements.

You must exhaust Our internal review process before you can request an external review unless:

1. We fail to comply with internal claims and appeals requirements;
2. You request an expedited external review when you request an expedited internal review; or
3. We grant your request to bypass Our internal review process.

If you or your authorized representative wishes to request an external review, you or your authorized representative must submit your request within four months of the date We decided your grievance/appeal.

There are two categories of external review, standard and expedited. Most requests for external review will follow the standard timeline; however in some cases you may ask for an expedited (faster) review.

Standard External Review

You may request a standard external review in one of the following ways:

1. By directly submitting the request online at externalappeal.cms.gov;
2. By mailing the request to the independent review organization (IRO) at the following address:

MAXIMUS Federal Services
3750 Monroe Avenue, Suite 705
Pittsford, NY 14534

3. By faxing the request to (888)-866-6190.

If you choose to mail or fax your request, print and fill out the online form. Please note you may also provide additional documentation such as:

1. Documents to support the claim, such as letters from your Health Care Provider, reports, bills, medical records, explanation of benefits (EOB) forms (optional);
2. Letters sent to your health insurance plan about the denied claim (optional); and
3. Letters received from the health insurance plan (optional).

You can get the online form at externalappeal.cms.gov or by calling Our Customer Care Center at 800-279-1301 (TTY: 711).

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

The IRO will notify you and Us of its decision no later than 45 days after it receives your request for external review.

A decision made by the IRO is binding for both you (the Member) and Us with the exception of the Rescission of a policy or certificate. You are not responsible for the costs associated with the IER.

Expedited External Review

In some cases you may ask for an expedited (faster than usual) external review. You may request an expedited external review when:

1. You have asked for an expedited grievance/appeal and want an expedited external review concurrently (at the same time) and the timeframe for an expedited grievance (72 hours) would place your life, health, or ability to regain maximum function in danger; or
2. You have completed the internal grievance/appeal process described above and the decision was not in your favor, and:
 - a. The timeframe to do a standard external review (45 days) would place your life, health or ability to regain maximum function in danger; or
 - b. The decision is about admission, care availability, continued stay, or emergency health care services where the person has not been discharged from the facility.

You may request an expedited external review by following the process described above for standard external reviews, or by calling the IRO at (888) 866-6205. The 72-hour timeframe for an expedited review request begins when the phone call ends.

The IRO will notify you and Us of its decision as soon as possible, but no later than 72 hours after it receives your request for external review. The IRO may call you with its decision, but it must also mail you a written version of the decision within 48 hours of calling you.

A decision made by the IRO is binding for both Us and the Member with the exception of the Rescission of a policy or certificate. You are not responsible for the costs associated with the IER.

E. Office of the Commissioner of Insurance

You may resolve your problem by taking the steps outlined above. You may also contact the Office of the Commissioner of Insurance, a state agency which enforces Wisconsin's insurance laws and file a complaint.

You may file a complaint online or print a complaint form at:
oci.wi.gov/.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

P.O. Box 7873
Madison, WI 53707-7873

Or calling (608) 266-0103 (Madison) or toll free at 1-800-236-8517 (Statewide).

F. Non-Formulary Exception to Coverage

If you or your prescribing Health Care Provider wish to request review of a denied non-formulary exception to coverage request you may do so in writing or orally.

Our timeline for considering your exception to coverage will vary based on the urgency of your situation.

Standard Non-Formulary Exception

If your request is not urgent We will follow Our standard non-formulary exception timeline.

We will notify you, your authorized representative and your prescribing Health Care Provider of Our decision no later than 72 hours after We receive your request. During the exception to coverage process, We will cover the Drug for the duration of the prescription during a standard exception request. If We approve your request, We will cover the Drug until your prescription expires, including refills.

If We deny your standard non-formulary exception, you, your authorized representative, or your prescribing Health Care Provider may ask to have Our denial reviewed by the IRO. You must ask for external review within four months of Our denial. You may submit to Us in writing at the following address:

Dean Health Plan, Inc.
Attention: Grievance and Appeal Department
P.O. Box 56099
Madison, WI 53705

You or your authorized representative must select an IRO from the list of IROs certified by the Office of the Commissioner of Insurance. In addition, your written request must contain the name of the IRO selected. The selected IRO will send you a notice of acceptance within one business day of receipt, advising you of the right to submit additional information. The selected IRO will also deliver a notice of the final external review decision in writing to you and Us within the timeline required based on Wisconsin State Law. A decision made by an IRO is binding for both Us and the Member with the exception of the Rescission of a policy or certificate. You are not responsible for the costs associated with the IER.

Expedited Non-Formulary Exception

If you need the requested Drug more urgently, and We determine your request meets Our expedited criteria We will follow Our expedited non-formulary request timeline. Our criteria are based on the expedited provisions of applicable law as listed below:

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Urgent circumstances exist 1) when you are suffering from a health condition that may seriously jeopardize your life, health, or ability to regain function, or 2) you are undergoing a current course of treatment using a non-formulary Drug. When you submit your request, you must indicate that your circumstances are urgent.

We will notify you or your authorized representative and your prescribing Health Care Provider of Our decision no later than 24 hours after We receive your request. During the exception to coverage process, We will cover the Drug for the duration of the exigency during an expedited exception request. If We approve your request, We will cover the Drug until your prescription expires, including refills.

If We deny your expedited non- formulary exception request, you, your authorized representative, or your prescribing Health Care Provider may ask to have Our denial reviewed by the IRO. You must ask for external review within four months of Our denial. You may submit orally by calling (608)828-1991 or TTY 711, or submit to Us in writing at the following address:

**Dean Health Plan, Inc.
Attention: Grievance and Appeal Department
P.O. Box 56099
Madison, WI 53705**

You or your authorized representative must select an IRO from the list of IROs certified by the Office of the Commissioner of Insurance. In addition, your written request must contain the name of the IRO selected. The selected IRO will also deliver a notice of the final external review decision in writing to you and Us within the timeline required based on Wisconsin State Law. A decision made by an IRO is binding for both Us and the Member with the exception of the Rescission of a policy or certificate. You are not responsible for the costs associated with the IER.
