Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$4,200 Individual / \$8,400 Family Out-of-Network: \$4,200 Individual / \$8,400 Family Does not apply to copays, pharmacy drugs, and services listed below as "No Charge".	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>Preventive Care</u> and categories with <u>copay</u> are covered before you meet your <u>deductible</u> .	This plan covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered services at www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No, there are no other <u>deductibles</u> .	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	In-Network: \$6,900 Individual / \$13,800 Family Out-of-Network: \$6,900 Individual / \$13,800 Family per calendar year	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this plan doesn't cover, penalties for failure to obtain pre-notification for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.rrd.bswift.com or call 1-877-773-4236 for a list of <u>network providers</u> .	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's network . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .

* For more information about limitations and exceptions, see the plan or policy document at www.rrd.bswift.com.

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
