Initial Rate(s)

The initial Premium rate(s) are shown in Exhibit 1.

Frequency of Premium Payment

Premiums for this policy will be paid as shown on page 1. MetLife and the Policyholder may agree that payment be made in advance every 3, 6 or 12 months.

Computation of Premium

The Premium due on any Premium Due Date is determined by the total amount of insurance provided by this policy on such Premium Due Date, multiplied by the appropriate Premium rate(s) which are then in effect subject to any Premium adjustments, if applicable.

MetLife may use any reasonable method to compute Premiums due under this policy.

Premiums for Changes in Insurance

For insurance that takes effect after the first day of a Policy Month, Premium will be charged from the first day of the next Policy Month. However, if a policy amendment or evidence of good health is required for such insurance, Premium will be charged as of the date such insurance takes effect. If insurance ends, Premium will be charged to the date insurance ends.

PREMIUM RATES (Continued)

Right to Change Premium Rates

MetLife may change Premium rates for changes which materially affect the risk assumed for the insurance provided by this policy, as follows:

1. when this policy is amended or endorsed;
2. when a class of eligible persons is added to or deleted from this policy for any reason including corporate restructuring, acquisition, spin-off or similar situations;
3. when a Policyholder's subsidiary, affiliate, division, branch or other similar entity is added to or deleted from this policy for any reason including corporate restructuring, acquisition, spin-off or similar situations;
4. when there is a significant change in the geographic distribution of insured Employees;
5. when applicable law requires a change in:
 - a. the insurance provided by this policy; and/or
 - b. the class of persons eligible for insurance under this policy; or
6. when a Premium Due Date coincides with or next follows:
 - a. a change greater than 20% in the number of Covered Persons since the later of the policy Effective Date and the last date Premium rates were changed; or
 - b. a change greater than 20% in the amount of insurance provided by this policy since the later of the policy Effective Date and the last date Premium rates were changed.

In addition, MetLife may change Premium rates:

1. after the expiration of any rate guarantee period as may be stated in Exhibit 1, on any date on or after the first Policy Anniversary; this will be done no more frequently than every 12 months and only if MetLife notifies the Policyholder, in Writing, at least 120 days before such change; and
2. on any other date agreed to by MetLife and the Policyholder.

The new Premium rates will apply only to Premiums due on or after the date the rate change takes effect.

Rate Reduction For Failure to Provide Service Levels (Performance Guarantee). At the end of a Policy Period, MetLife may reduce the Policyholder's Premium for such Policy Period as the result of its failure to provide the service levels agreed to in Writing by an officer of MetLife and the Policyholder. The Premium will be reduced by an amount not to exceed 1% of the Premium paid during the Policy Period.

GRACE PERIOD

Each Premium may be paid up to 60 days after its Premium Due Date. This period is the grace period. The insurance provided by this policy will stay in effect during this period. MetLife will notify the Policyholder in Writing that, if the Premium is not paid by the end of the grace period, this policy will end at the end of the last day of the grace period. If MetLife fails to give Written notice to the Policyholder, this policy will continue in effect until the date such notice is given.

Policyholder's intent to end this policy during the grace period. The Policyholder may notify MetLife in Writing prior to the end of the grace period of its intent to end this policy before the end of the grace period. In this case, this policy will end on the later of:

1. the date stated in the notice; or
2. the date MetLife receives the notice.

If the Policyholder replaces this policy with another group insurance policy but does not give MetLife notice of intent to end this policy, the grace period provisions will apply.

Grace period extensions. MetLife may extend the grace period by giving Written notice to the Policyholder. Such notice will state the date this policy will end if the Premium remains unpaid.

Premiums must be paid for a grace period, any extension of such period and any period insurance under this policy was in effect for which Premium was not paid.

END OF INSURANCE PROVIDED BY THIS POLICY

The Policyholder can end this policy by giving 31 days advance Written notice to MetLife. The policy will end on the later of:

1. the date stated in the notice; or
2. the date MetLife receives the notice.

MetLife can end this policy as follows:

1. on the date Premium is not paid when due, subject to the Grace Period provisions;
2. on any Premium Due Date, by giving the Policyholder 60 days advance Written notice, if less than:
 - a. 5% of persons eligible under this policy are insured for Contributory Insurance;
 - b. 100% of persons eligible under this policy are insured for Noncontributory Insurance; or
 - c. 10 Employees are insured by this policy;
3. on any Premium Due Date, by giving the Policyholder 60 days advance Written notice, if the Policyholder fails to provide information on a timely basis or perform any obligations required by this policy or any applicable law; or
4. on any Policy Anniversary, except during a Rate Guarantee Period as may be provided in Exhibit 1, by giving the Policyholder 60 days advance Written notice.

Under circumstances described in the certificates that are attached as Exhibits to this policy, Employees may be entitled to elect to continue their insurance if this policy ends. If on or after the date the policy would otherwise end there are certificates in effect under which one or more Employees have elected to continue their insurance in accordance with the terms and conditions specified in their certificates, this policy will be deemed to continue in effect but only with respect to those Employees.

This policy will end on the date on which the last certificate in effect under this policy ends.

If this policy ends, all Premiums due must be paid. If MetLife accepts Premium after the date this policy ends, such acceptance will not act to reinstate the policy. MetLife will refund any unearned Premium.

GENERAL PROVISIONS

An amendment or endorsement will not affect the insurance provided under certificates issued before the effective date of the change, unless retroactivity is consistent with applicable law.

An officer of MetLife must approve in Writing any change or waiver of the terms and provisions of this policy. A sales representative, or other MetLife employee, who is not an officer of MetLife does not have MetLife's authority to approve such changes or waivers. A change or waiver will be evidenced by an amendment Signed by an officer of MetLife and the Policyholder or an endorsement Signed by an officer of MetLife. A copy of the amendment or endorsement will be provided to the Policyholder for attachment to this policy.

Incontestability: Statements Made by the Policyholder. Any statement made by the Policyholder will be considered a representation and not a warranty. MetLife will not use such statement to avoid insurance, reduce benefits or defend a claim unless it is contained in a Written application. Incontestability: Statements Made by Covered Persons. Any statement made by a Covered Person will be considered a representation and not a warranty. MetLife will not use such statement to avoid insurance, reduce benefits or defend a claim unless the following requirements are met:

1. the statement is in a Written application or enrollment form;
2. the Covered Person has Signed the application or enrollment form; and
3. a copy of the application or enrollment form has been given to the Covered Person or his beneficiary.

MetLife will not use a Covered Person's statements which relate to insurability to contest insurance after it has been in force for 2 years, unless the statement is fraudulent. In addition, MetLife will not use such statements to contest an increase or benefit addition to such insurance after the increase or benefit has been in force for 2 years, unless such statement is fraudulent.

Certificates. MetLife will issue certificates to the Policyholder, for delivery to each Employee covered under the policy, a certificate that has been prepared for each such Employee so as to describe the Employee's benefits and rights under this policy. If requested by the Policyholder and agreed to by MetLife, MetLife may deliver such certificates to such Employees on behalf of the Policyholder.

Assignment. The rights and benefits under this policy are not assignable, except as required by law or as permitted by MetLife.

GENERAL PROVISIONS (Continued)

- Will be provided in a timely manner and in a format as agreed to by MetLife and the Policyholder;

- If maintained by the Policyholder, may be examined by MetLife at any reasonable time.

If MetLife or the Policyholder makes a clerical error in keeping or providing the information, the Premium and/or benefits will be adjusted as warranted, according to the correct information. An error will not end insurance validly in effect, nor will it continue insurance validly ended or create insurance coverage where no coverage existed.

Any act undertaken by the Policyholder that relates to the insurance provided under this policy must be consistent with the terms of such insurance and with MetLife's requirements; including but not limited to the eligibility requirements of the Policyholder's plan as set forth in the certificates to this policy.

ALASKA

NOTICE OF PROTECTION PROVIDED BY ALASKA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Alaska Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Alaska law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Alaska law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 for disability insurance or long term care insurance
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in present value of annuity benefits including withdrawal and cash values
 - \$5,000,000 for covered unallocated annuities that fund other plans

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

The protections listed above apply only to the extent that benefits are payable under covered policy(s). In no event will the Association provide benefits greater than those given in the life, annuity, or health insurance policy or contract.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Alaska law.

A written complaint to allege violation of any provision of the Alaska Life and Health Insurance Guaranty Association Act must be filed with the Alaska Division of Insurance, 550 West Seventh Avenue, Suite 1560, Anchorage, Alaska, 99501-3567; telephone (907) 269-7900.

Financial information for an insurance company, if the insurance information is not proprietary, is available at the same address and telephone number. The Association should not be contacted regarding the financial information of an insurance company.

ARKANSAS

NOTICE OF THE ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

The Arkansas Life and Health Insurance Guaranty Association Act (the "Act") provides protection, subject to certain limitations and exclusions, against loss under life and health insurance policies and annuity contracts issued by insolvent insurers licensed in this state. Some limitations and exclusions apply; some are listed below.

This notice is provided to you only to make you aware of the existence of the limited protection under the Act. It confers no rights to any policyholder or contract holder not provided under the Act. It does not change or vary any exclusion or limitation contained in the Act. Specific reference must be made to the Act to determine whether any particular policy or contract is covered, the amount of any coverage which may be available, and applicable limitations or exclusions.

Some of the limitations and exclusions are as follows:

1. The Act limits the amount the Guaranty Association is obligated to pay: The Association cannot pay more than what the insurer would owe under a policy or contract. Also, for any one insured, the Guaranty Association will pay a maximum of \$300,000 in life and annuity benefits and \$500,000 in health insurance benefits no matter how many policies or contracts you have with the same insurer even if they provide different coverages. Within this overall \$300,000 limit for life and annuity benefits, the Association will pay a maximum of \$300,000 in net cash surrender values, \$300,000 in life insurance death benefits, and \$300,000 in present value of annuities. The Association will pay up to \$500,000 for health insurance which does not include disability and long term care insurance which will continue to be subject to the \$300,000 limit for health insurance. This new limit will be effective as of August 25, 2013. There is a \$1,000,000 limit with respect to any one contract holder for unallocated annuity benefits irrespective of the number of participants in the plan.
2. You are not covered:
 - a. If you are not a resident of Arkansas at the time the order of the insurer's insolvency was issued;
 - b. Your insurer was not licensed in this state; or,
 - c. Your insurer was a self-insured plan, trust or other similar entity, health maintenance organization or other entity excluded under the Act.
3. Obligations not specifically provided in the policy or contract are not covered by the Act. Examples of obligations, which are not covered by the Act, include damages or loss due to misrepresentations of policy benefits, inaccurate solicitation material, unfiled policy documents or endorsements, and extra-contractual damages, penalties and similar damages or claims.
4. Dividends or interest rate yields that do not meet specifications described in the Act are not covered under the Act.

You should not rely upon coverage under the Act when buying a life or health insurance policy or selecting an insurer, and neither agents nor insurers should use the existence of the Guaranty Association to induce you to purchase a product from them.

CALIFORNIA

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of April 1, 2011, is \$470,125. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

**DISTRICT OF COLUMBIA LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT OF 1992
SUMMARY OF GENERAL PURPOSES AND
CURRENT LIMITATIONS OF COVERAGE**

Residents of the District of Columbia who purchase health insurance, life insurance, and annuities should know that the insurance companies licensed in the District of Columbia to write these types of insurance are members of the District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in the District of Columbia and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is limited, however, as noted on the other side of this page.

DISCLAIMER

The District of Columbia Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY. Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned on residence in the District of Columbia. Other conditions may also preclude coverage.

The District of Columbia Life and Health Insurance Guaranty Association or the District of Columbia Insurance Commissioner will respond to any question, you may have which are not answered by this document. The District of Columbia law that provides for this safety-net coverage is called the Life and Health Insurance Guaranty Association Act of 1992. This page contains a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association. If you have obtained this document from an agent in connection with the purchase of a policy, you should be aware that its delivery to you does not guarantee that your policy is covered by the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the District of Columbia Life and Health Insurance Guaranty Association if they live in the District of Columbia and are insured under a health insurance, life insurance, or annuity contract issued by a member insurer, or if they are insured under a group insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guaranty Association if:

- * They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state of incorporation);
- * The insurer was not authorized to do business in the District of Columbia; or
- * Their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital or medical service organization, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not provide coverage for:

- * Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- * Any policy of reinsurance (unless an assumption certificate was issued);
- * Any plan or program of an employer or association that provides life, health, or annuity benefits to its employees or members to the extent the plan is self-funded or uninsured;
- * Interest rate guarantees which exceed certain statutory limitations;
- * Dividends; experience rating credits, or fees for services in connection with a policy;
- * Credits given in connection with the administration of a policy by a group contractholder; or
- * Unallocated annuity contracts.

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

- * *the contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or*
- * *with respect to any one life, regardless of the number of policies, contracts, or certificates:*
 - * *\$300,000 in life insurance death benefits but not more than \$100,000 in net cash surrender or net cash withdrawal values; or*
 - * *\$100,000 in health insurance benefits, including net cash surrender or net cash withdrawal values; or*
 - * *\$300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values.*

Finally, in no event is the Guaranty Association liable for more than \$300,000 with respect to any one individual.

HAWAII

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE HAWAII LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION ACT

Residents of Hawaii who purchase life insurance, annuities or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The State law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose Guaranty Association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the “Blues”), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in disability insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits – again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

- (8) any obligation that does not arise under the express written terms of the policy or contract;
- (9) any policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C or Part D coverage.

Other exclusions may also be applicable depending upon the issuing insurer, the policy itself, the policyholder or policy owner, or other factors. For more information, see the Louisiana Life and Health Insurance Guaranty Law, Louisiana Revised Statutes R.S. 22:2081 et seq.

The maximum amount of protection with respect to any one (1) life, regardless of the number of policies or contracts, is:

MISSOURI

<p style="text-align: center;">NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT</p>

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Missouri Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy-holders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Missouri Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Missouri. You should not rely on coverage by the Missouri Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy. Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy. YOU MAY CONTACT EITHER THE ASSOCIATION OR THE MISSOURI DEPARTMENT OF INSURANCE AT THE FOLLOWING ADDRESSES SHOULD YOU HAVE ANY QUESTIONS REGARDING THIS NOTICE.

The state law that provides for this safety-net coverage is called the Missouri Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the guaranty association.

Generally, persons will be covered if they live in this state, and hold a life or health insurance contract or annuity, or a certificate under a group policy or contract. However, not all individuals with a right to recover under life or health insurance policies or annuities are protected by the Act. A person is not protected when --

1. The person is eligible for protection under the laws of another state;
2. The person purchased the insurance from a company that was not authorized to do business in this state;
3. The policy is issued by an organization which is not a member insurer of the association; or
4. The person does not live in this state, except under limited circumstances.

Additionally, the Association may not provide coverage for the entire amount a person expects to receive from the policy. The Association does not provide coverage for any portion of the policy where the person has assumed the risk, for any policy of reinsurance (unless an assumption certificate was issued), for interest rates that exceed a specified average rate, for employers' plans that are self-funded, for parts of plans that provide dividends or credits in connection with the administration of policy, or for unallocated annuity contracts (which are generally issued to pension plan trustees). The Act also limits the amount the Association is obligated to pay persons on various policies. The Association does not pay more than the amount of the contractual obligation of the insurance company. The Association does not have to pay more than three hundred thousand dollars (\$300,000) in death benefits for any one life regardless of the number of policies that insure that life. The Association does not have to pay amounts over one hundred thousand dollars (\$100,000) in cash surrender or withdrawal benefits on one life regardless of the number of policies insuring that individual. For health insurance benefits, the Association is not obligated to pay over one hundred thousand dollars (\$100,000) including net cash surrender and withdrawal benefits. On an annuity contract, the Association is not liable for over one hundred thousand dollars (\$100,000) in present value. Finally, the Association is never obligated to pay more than a total of three hundred thousand dollars (\$300,000) for any one insured for any combination of insurance benefits.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Montana law, with funding from assessments paid by other insurance companies.

The maximum amount of protection is \$300,000 in benefits with respect to any one life regardless of the number of policies or contracts, except with respect to hospital, medical, and surgical insurance benefits.

There are also various residency requirements and other limitations under Montana law.

GUARANTY ASSOCIATION ACT SUMMARY DOCUMENT

Effective October 1, 2013

Residents of Nevada who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in the state to write these types of insurance are members of the Nevada Life and Health Insurance Guaranty Association (Association). The purpose of the Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association assesses its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is not unlimited, however, and, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Nevada Life and Health Insurance Guaranty Association may not provide coverage for a policy. If coverage is provided, it will be subject to substantial limitations and exclusions, and require continued residency in Nevada. A person should not rely on coverage by the Association when selecting an insurance company or when selecting an insurance policy.

Coverage is NOT provided for a policy or any portion of it that is not guaranteed by the Insurer or for which the policyholder has assumed the risk, such as a variable contract sold by prospectus.

Insurance companies are required by law to deliver this notice to you. **However, insurance companies and their agents are prohibited by law from using the existence of the Association for sales, solicitation or to induce the purchase of any kind of insurance policy.**

The state law that provides for this safety-net coverage is called the Nevada Life and Health Insurance Guaranty Association. Below is a brief summary of this law's current coverages, exclusions and limits. The summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Association. **Anyone may obtain additional information from the Association or file a complaint with the Commissioner of Insurance, at the applicable address listed below, to allege a violation of any provision of the Nevada Life and Health Insurance Guaranty Association Act.**

Generally, individuals will be protected by the Association if they live in this state and **hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract issued by a member insurer.** The beneficiaries, payees or assignees of the insured persons are protected as well even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **NOT** protected by this Association if:

- * They are eligible for protection under the law of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insured's who live outside the state);
- * the insurer was not authorized to do business in this state;
- * their policy was insured by a nonprofit hospital or medical service organization, a health maintenance organization (HMO), a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does **NOT** provide coverage for:

- * any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- * interest rate yields that exceed an average rate;
- * dividends;
- * credits given in connection with the administration of a policy by a group contract holder;
- * employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- * unallocated annuity contracts (which give rights to group contract holders, not individuals) other than an annuity owned by a governmental retirement plan established under section 401, 403(b) or 457 of the Internal Revenue Code 26 U.S.C. && 401, 403(b) and 457, respectively, or trustees of such a plan; or
- * Medicare or Medicare Advantage contracts

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to life insurance policies on any one insured life, the Association will pay a maximum of \$300,000, regardless of how many policies and contracts there are with the same company, and even if they provide different types of coverage. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, or \$300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverage.

With respect to annuities, the Association will not pay more than \$250,000 in the present value of benefits, including net cash surrender and withdrawal.

With respect to health insurance for any one life, the Association will not pay more than: 1) \$100,000 for coverage other than disability insurance, basic hospital, medical and surgical insurance or major medical insurance, including any net cash for surrender or withdrawal; 2) \$300,000 for disability insurance or long term care insurance; or 3) \$500,000 for basic hospital, medical and surgical insurance or major medical insurance.

With respect to each payee of a structured settlement annuity, or beneficiary or beneficiaries of the payee if deceased, the Association will not pay more than \$250,000 in present values of benefits from the annuity in the aggregate, including any net cash for surrender or withdrawal.

With respect to each participant in a governmental retirement plan covered by an unallocated annuity contract as described in NRS 686C, the maximum coverage allowed is an aggregate of \$250,000 in present-value annuity benefits including the value of net cash for surrender and net cash for withdrawal, regardless of the number of contracts issued by any one member company.

With respect to any one life or person, in no event will the Association be obligated to cover more than: 1) an aggregate of \$300,000 in benefits, excluding benefits for basic hospital, medical and surgical insurance or major medical insurance; or 2) an aggregate of \$500,000 in benefits, including benefits for basic hospital, medical or surgical insurance or major medical insurance.

With respect to one owner of several non-group policies of life insurance, whether the owner is a natural person or an organization and whether the persons insured are officers, managers, employees or other persons, the Association will not pay more than \$5,000,000 in benefits, regardless of the number of policies and contracts held by the owner.

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in New Jersey and hold a life, health or long-term care insurance contract, annuity contract, or if they are insured under a group insurance contract, issued by a member insurer.

- . credits given in connection with the administration of a policy by a group contractholder;
- . employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one insured individual, regardless of the number of policies or contracts, the Association will pay not more than \$500,000 in life insurance death benefits and present value annuity benefits, including net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than \$100,000 in cash surrender values for annuity benefits, \$500,000 in life insurance death benefits or \$500,000 in present value of annuities--again no matter how many policies and contracts that were with the same company, and no matter how many different types of coverages.

The Association will not pay more than \$2,000,000 in benefits to any one contractholder under any one unallocated annuity contract.

There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.

NEW MEXICO

**NOTICE OF
PROTECTION PROVIDED BY
NEW MEXICO LIFE INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the New Mexico Life Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under New Mexico law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with New Mexico law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

Life Insurance

- \$300,000 in death benefits
- \$100,000 in cash surrender or withdrawal values

Health Insurance

- \$500,000 in hospital, medical and surgical insurance benefits
- \$300,000 in disability income insurance benefits
- \$300,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits

Annuities

- \$250,000 in present value of annuity benefits

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000 (\$500,000 for hospital, medical and surgical insurance policies).

Note to benefit plan trustees or other holders of unallocated annuities covered under the act: For unallocated annuities that fund certain governmental retirement plans, the limit is \$250,000 in present value of annuity benefits per plan participant. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held or number of persons covered.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under New Mexico law.

OHIO

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in Ohio and hold a life or health insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose Guaranty Association protects insureds who live outside that state); or
- The insurer was not authorized to do business in this state;
- Their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out: The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits – again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under ss401, 403(b) or 457 of the Internal Revenue code, the limit is \$100,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans a special limit of \$1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.

TENNESSEE

NOTICE CONCERNING COVERAGE UNDER THE TENNESSEE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Tennessee who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Tennessee Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$500,000 in death benefits
 - \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$500,000 in long-term care insurance benefits
 - \$500,000 in disability income insurance benefits
 - \$500,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

WEST VIRGINIA

SUMMARY OF THE WEST VIRGINIA LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT AND NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS
(Effective July 10, 2009)

Residents of West Virginia who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the West Virginia Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy holders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

The West Virginia Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in West Virginia. You should not rely on coverage by the West Virginia Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy. For a complete description of coverage, consult Article 26A, Chapter 33 of the West Virginia Code.

Coverage is NOT provided for any portion OF YOUR CONTRACT that is not guaranteed by the insurer or for which you have assumed the risk.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The Guaranty Association or the West Virginia Insurance Commission will respond to questions you may have which are not answered by this document. Policyholders with additional questions may contact:

The state law that provides for this safety net coverage is called the West Virginia Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the West Virginia Life and Health Insurance Guaranty Association if they live in West Virginia and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group life, health or annuity insurance contract, issued by a member insurer. Member insurer also includes non profit service corporations (W. Va. Code §33 24) and health care corporations (W. Va. Code §33 25). The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- The policy was issued at a time when the insurer was not licensed or authorized to do business in the state;
- Their policy was issued by an HMO, a fraternal benefit society, mandatory state pooling plan, a mutual protective association or similar plan in which the policy holder is subject to future assessments, an insurance exchange, or any entity similar to the above.

The association also does not provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual or contract holder has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends;
- Credits given in connection with the administration of a policy by a group contractholder;
- Employer or association plans to the extent they are self funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured, including:
 - I. multiple employer welfare arrangement;
 - II. minimum premium group insurance plan;
 - III. stop loss group insurance plan; or
 - IV. administrative services only contract.
- Any unallocated annuity contract issued to an employee benefit plan protected under the federal pension guaranty corporation;
- Any portion of any unallocated contract which is not issued to or in connection with a specific employee, union or association's benefit plan or a governmental lottery.
- Any policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C and D;
- An obligation that does not arise under the written terms of the policy, including claims based on marketing materials; claims based on side letters or riders not approved by the Commissioner; misrepresentations regarding policy benefits; extracontractual claims or claims for penalties or consequential or incidental damages
- A contractual agreement that establishes the member insurer's obligation to provide a book value guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or trustee, which is not an affiliate of the insurer.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also for any one insured life, regardless of the number of policies or contracts, the association will only pay:

- \$300,000 in life insurance benefits, but no more than \$100,000 in net cash surrender and net cash withdrawal values;
- \$300,000 for disability insurance;
- \$300,000 for long term care insurance;
- \$250,000 in the present value annuity benefits, including net cash surrender and net cash withdrawal values;
- \$500,000 for basic major hospital medical and surgical insurance or major medical insurance, and;
- \$100,000 for all other types of accident and sickness insurance than those listed above (disability, long term care, and major medical).

Also for any one insured life, the association will only pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company for all policies or contracts other than major medical insurance, in which case the aggregate limit shall not exceed \$500,000 with respect to any one individual.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: for unallocated annuities that fund governmental retirement plans under §§ 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual; for covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.

WYOMING LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT**

Residents of Wyoming who purchase life insurance, annuities, or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Wyoming Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the Wyoming Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the Wyoming Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees, or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this Association if:

- * They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- * The insurer was not authorized to do business in this state;
- * Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a stipulated premium insurance company, a local mutual burial association, a mutual assessment company, or similar plan in which the policy-holder is subject to future assessments, or by an insurance exchange.

The Association also does **not** provide coverage for:

- * Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- * Any policy of reinsurance (unless an assumption certificate was issued);
- * Interest rate yields that exceed an average rate;
- * Dividends;
- * Credits given in connection with the administration of a policy by a group contract holder;
- * Annuity contracts issued by a nonprofit insurance company exclusively for the benefit of nonprofit educational institutions and their employees;
- * Unallocated annuity contracts (which give rights to group contract holders, not individuals);
- * Any plan or program of an employer or association that provides life, health, or annuity benefits to its employees or members to the extent the plan is self-funded or uninsured.

LIMITS ON AMOUNT OF COVERAGE – EFFECTIVE 07/01/2012

The act also limits the amount the Association is obligated to pay out: The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values for life insurance policies, \$300,000 for basic hospital, medical and surgical insurance or major medical insurance, \$300,000 for disability insurance, disability income insurance and long-term care insurance, \$100,000 for coverages not defined as disability insurance or disability income insurance or basic hospital medical and surgical insurance or major medical insurance or long-term care insurance, including any net cash surrender and net cash withdrawal values, \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal values, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.
