What is pet insurance?

Why MetLife Pet Insurance?

A. With MetLife, you have the power of choice to customize your pet insurance to meet both your pet's needs and your budget. You can take advantage of benefits like:

- **The freedom to visit any U.S. licensed vet, emergency clinic or specialist** – Exam fees are covered for accidents and illnesses.
- **Flexible coverage with no breed exclusions.**
- **Family plans** – One policy covers up to three dogs and cats with one shared deductible.¹
- **Optional Preventive Care coverage** – For common routine wellness expenses.
- **Coverage of pre-existing conditions that were previously covered** when switching pet insurance providers.

How does MetLife Pet Insurance work?

A. Our process is simple and straightforward.

Take your pet to the vet and pay the bill, then send us your claim documents. You can file using our mobile app, online portal, email, fax or mail, and we process most claims within five days. You'll receive reimbursement² by check or direct deposit if the claim expense is covered under the policy.

When does coverage start?

A. MetLife Pet Insurance provides among the shortest wait periods for accidental and illness coverage.^{3,4} Accident coverage and optional Preventive Care coverage begin on the effective date of your policy. Illness coverage begins 14 days later.
