Prior Authorization(PA)

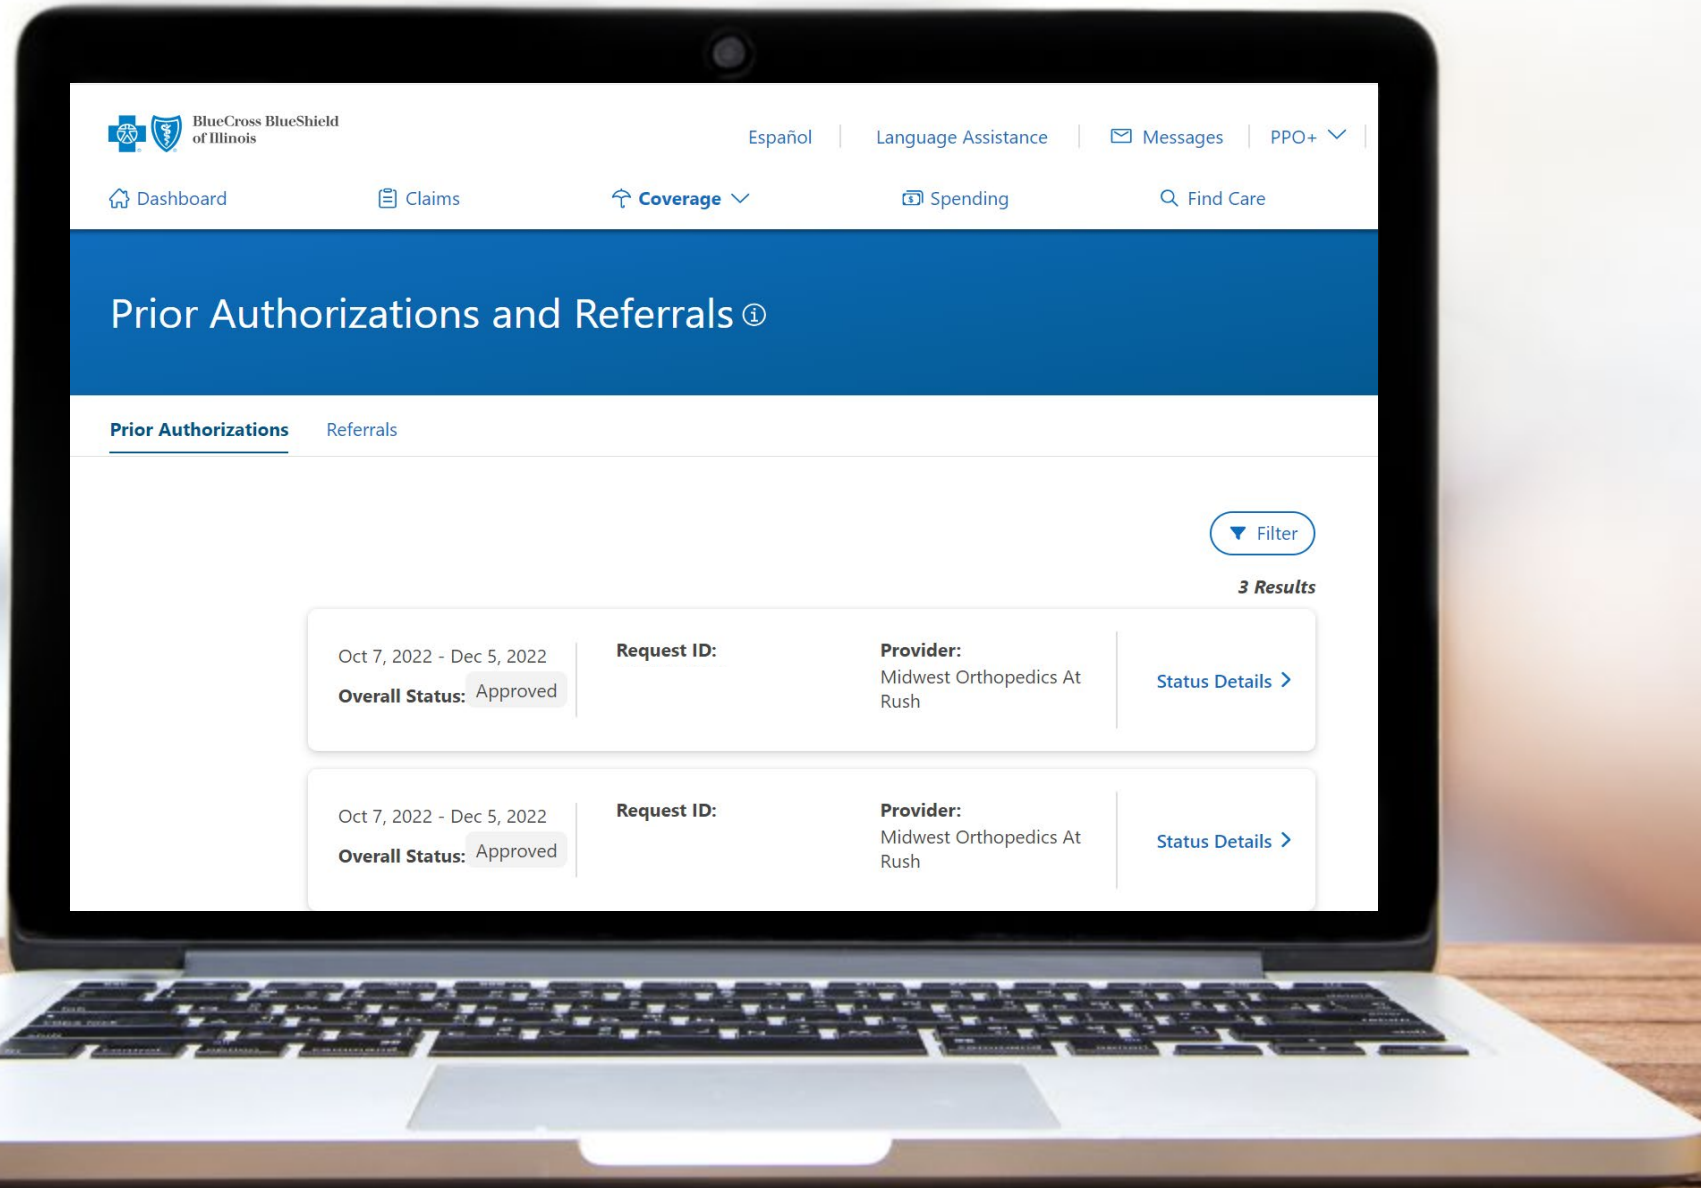

- Prior authorization is a process used to determine whether a medical service meets the requirements for health plan coverage.
- You need to have prior authorization for some types of medical care such as:
 - Hospital stays
 - MRI, CT, Specialized Lab Work
 - Surgery
- Your network provider will usually take care of prior authorization. To be sure, call a Health Advocate before your service.
- **Your plan requires you to call your Health Advocate prior to MRI or CT scans. Up to \$200 dollar out of pocket penalty if not!!!**

Member Rewards

Get Paid With Member Rewards

Earn cash back on medical care! Here's how:

- 1** Use the Member Rewards program by searching in BAM with Provider Finder[®] or call a Health Advocate to find and select a quality, lower-cost, reward-eligible provider.
- 2** You visit your chosen reward-eligible provider
- 3** The claim is paid and so are you!

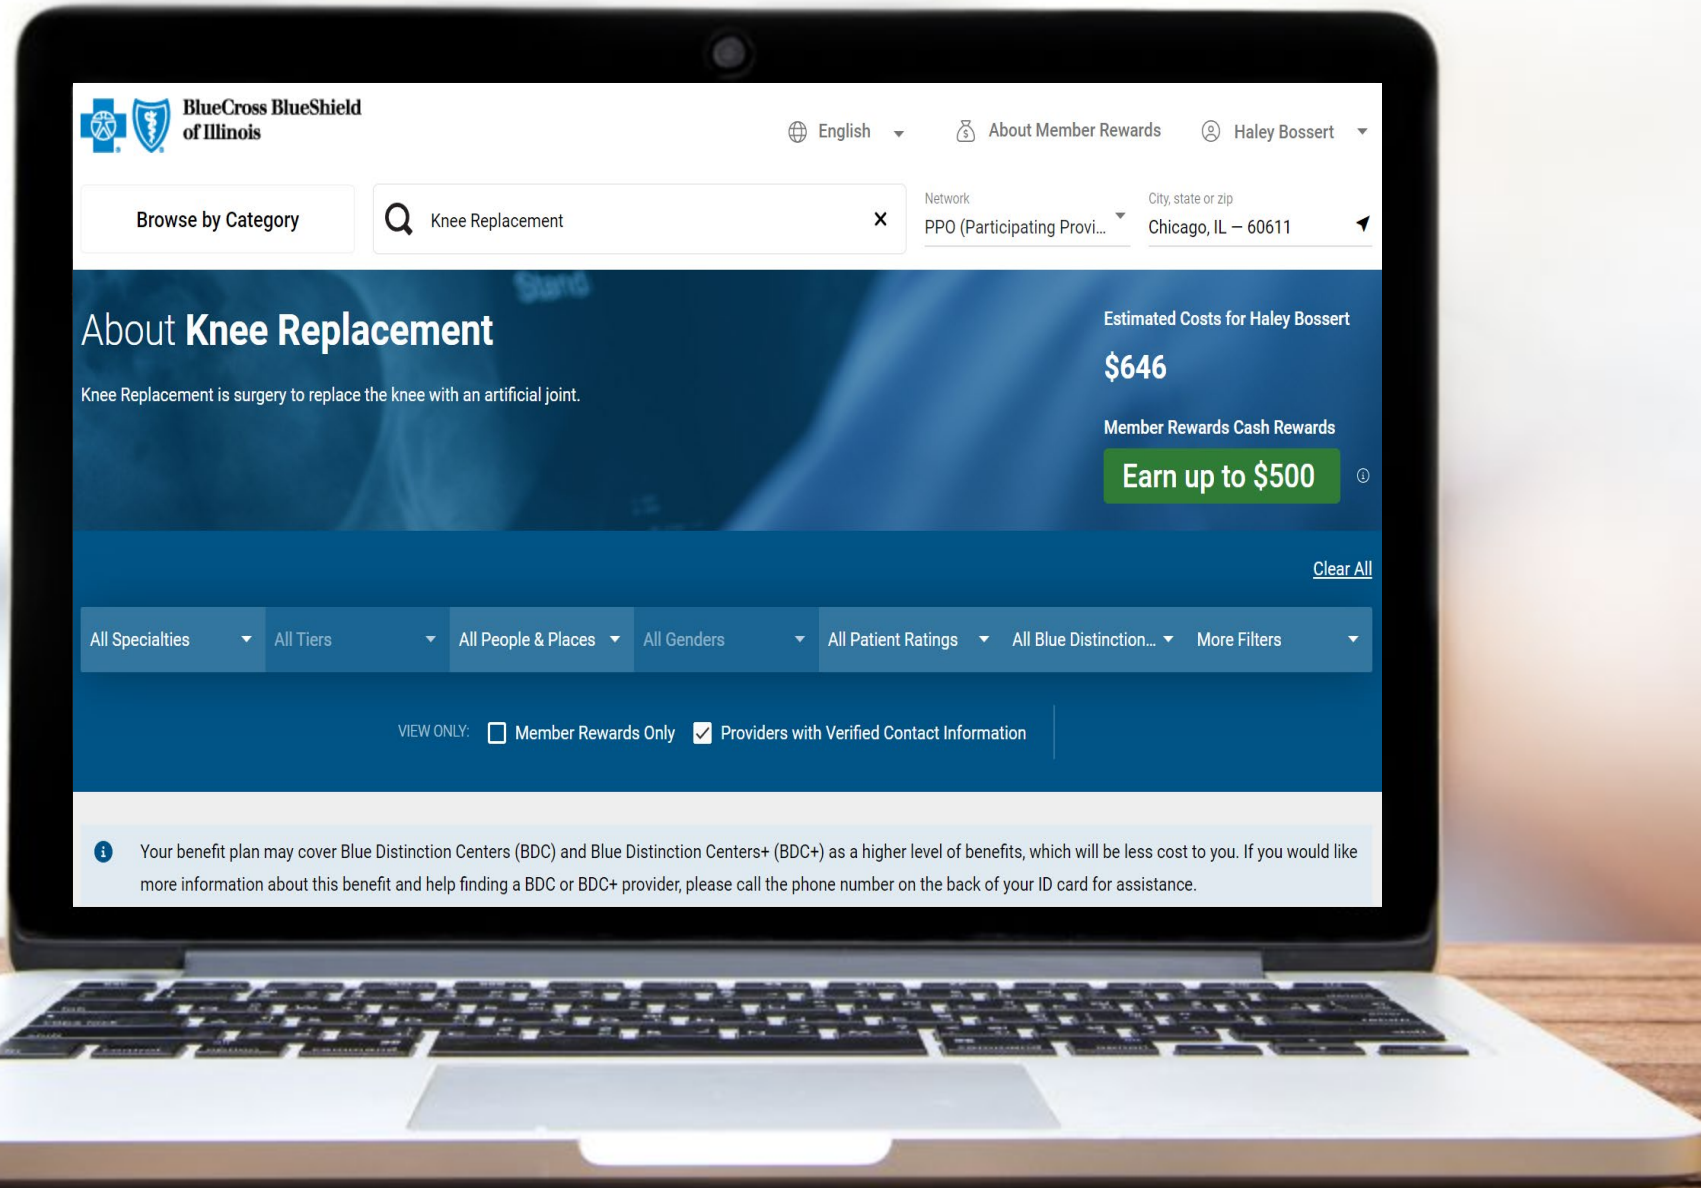

Member Rewards verifies the provider or service qualifies for a reward and you get a check in the mail from Zelis (our program's vendor).

MDX Medical, LLC dba Sapphire Digital, a Zelis company, is an independent company that has contracted with Blue Cross and Blue Shield of Illinois to administer the Member Rewards program for members with coverage through BCBSIL. Reward-eligible options and reward amounts are subject to change. Eligibility for rewards is subject to terms and conditions of the Member Rewards program. Amounts received through Member Rewards may be taxable. BCBSIL does not provide tax advice. Members that have primary coverage with Medicaid or Medicare are not eligible to receive incentive rewards under the Member Rewards program. BCBSIL makes no endorsement, representations or warranties regarding third-party vendors and the products and services offered by them.

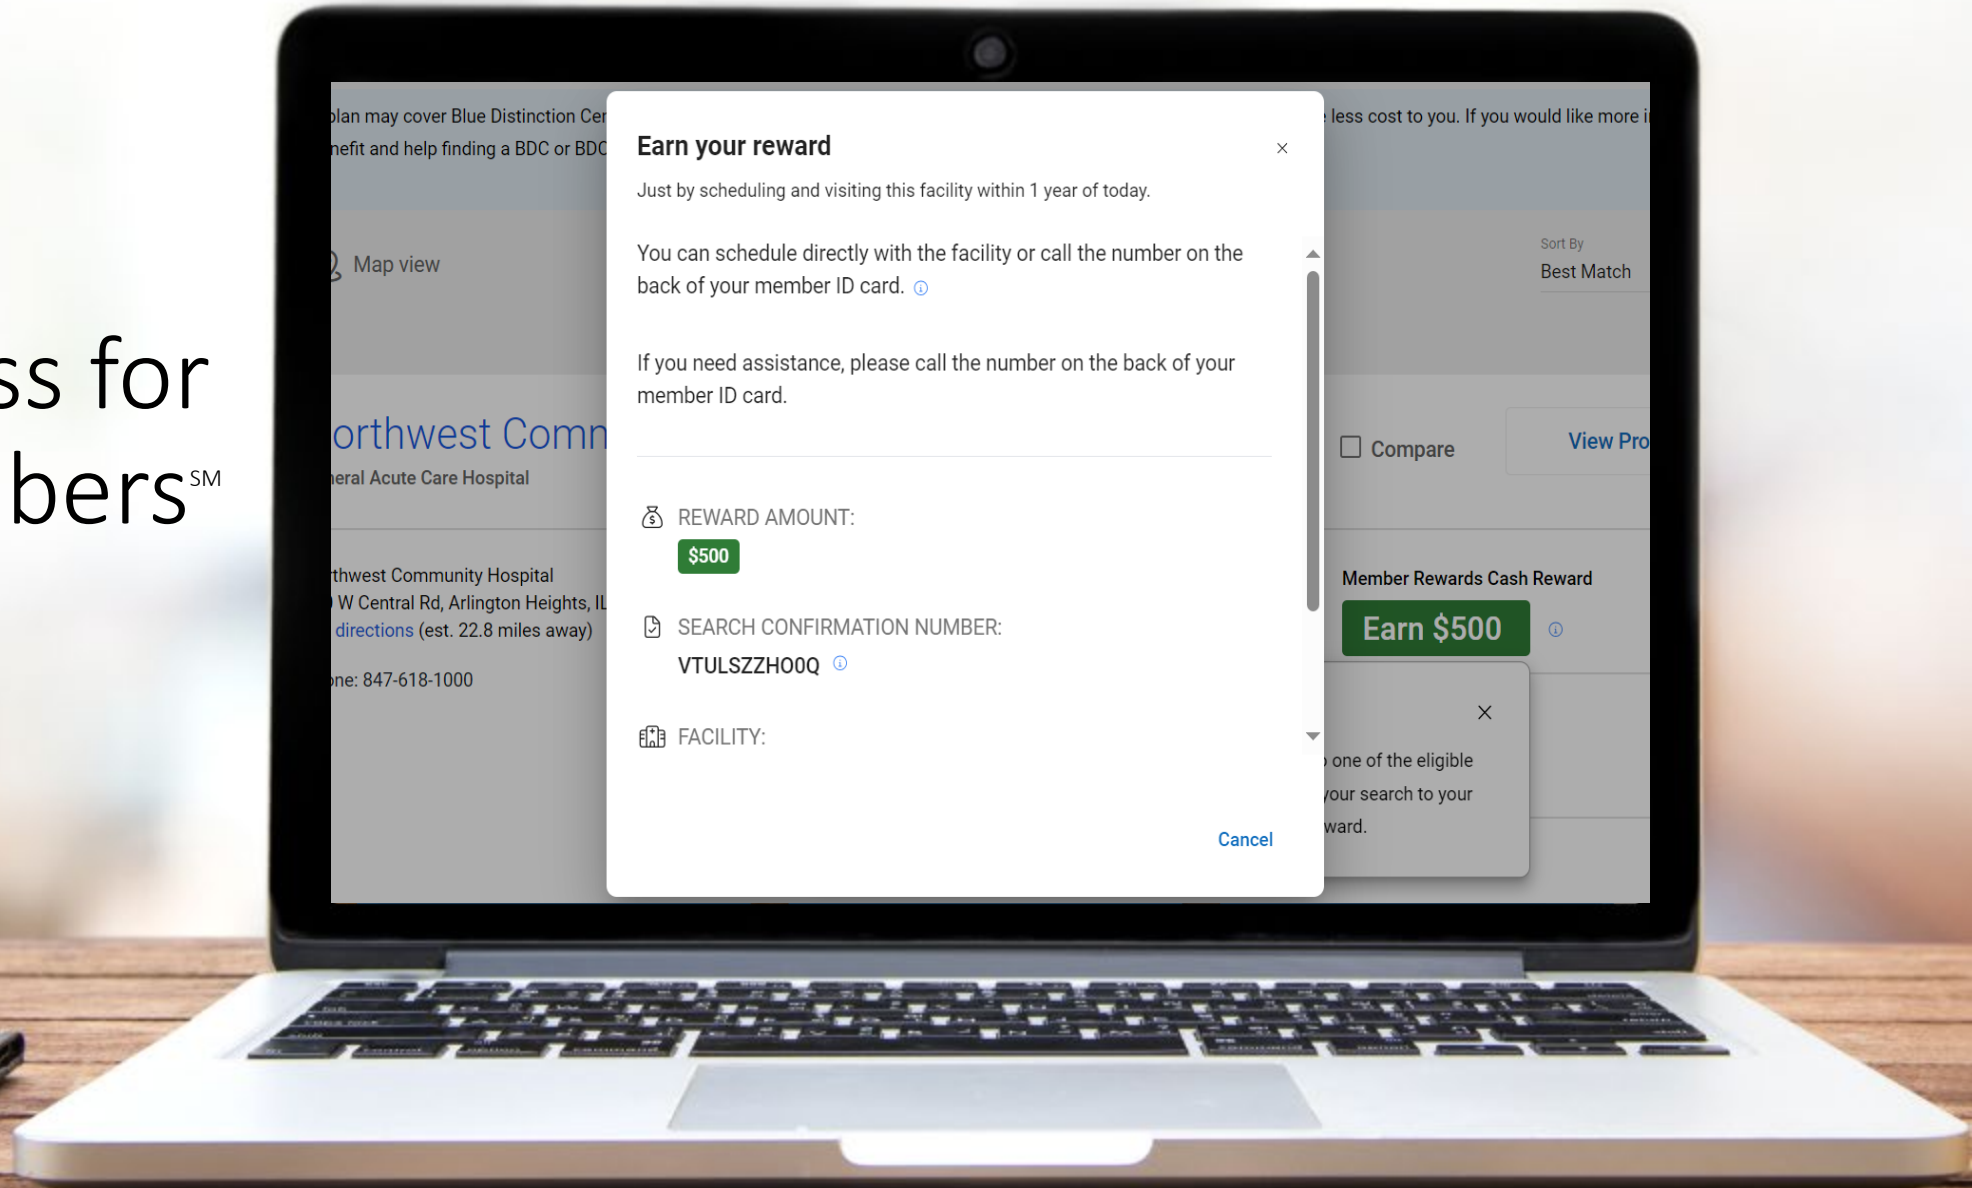

Did you know that prices for the same quality medical care can differ by thousands of dollars?
